with and cooperate with any corporation created or acting pursuant to section 53.47 of the Texas Education Code and any unit of government in promoting the utilization of the student loan program and providing financial aid and financial services to students.

To Provide funds for grant and scholarships to qualified secondary education entities, so as to enable the students to successfully graduate or complete such programs of study as the Board of Directors may determine to be suitable and desirable within the meaning of charitable or educational purposes as defined in the Internal Revenue Code.

The Foundation continues to offer scholarships to qualified high school students for the purpose of attending post-secondary or graduate institutions. The Foundation originally contemplated that it would work with colleges or universities to select the recipients of such scholarships but has decided that it is more practical to work with local high schools to identify appropriate scholarship candidates. Any such scholarship grants are sent directly to the college or university that the student will be attending and are used solely for tuition, room and board, or books. In addition, the Foundation provides grants for the purchases of textbooks. The grant funding for the textbooks are sent directly to the business entity selling the textbooks. Scholarships are renewable to a particular recipient if the student remains enrolled in a post-secondary institution and maintains a suitable grade point average at such institution, as determined by the Foundation.
