Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response to any question in this Part III ☐

- 1** Briefly describe the organization's mission:
The mission of Panzi Foundation is to raise awareness of the challenges of eastern Democratic Republic of Congo and to partner with Panzi Hospital to heal women and children and to restore lives.
- 2** Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No
 If "Yes," describe these new services on Schedule O.
- 3** Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No
 If "Yes," describe these changes on Schedule O.
- 4** Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 0 including grants of \$ 100,000) (Revenue \$ 0)
Building fund for Maison Dorcas, the aftercare facility at Panzi Hospital in DRC treating victims/survivors of extreme sexual violence. A new building for the aftercare, which includes education, therapy, psychological counseling, nutrition, product development - (self-sustaining training) and legal assistance is provided at this building, which has been done previously in a number of small building, inadequate for the task. The building is scheduled to open in March, 2012
Panzi Foundation, through our general donations, provided \$ 100,000 to assist in the completion of the new building.
The program to date has provided care for approximately 200 women over the past year, but the total of women needing services is approximately 3000 at any given time. So a new facility was desperately needed.
The programs are designed to give the survivors a new start with at least a minimum of education which includes basic literacy. Self-sufficiency programs are designed to provide some ability to survive on their own, since many are now abandoned for a variety of reasons. There are also facilities for day-care, however they do not provide for the numerous children. We support the day-care as best we can, but it is a future project and the new building will provide needed space.

4b (Code:) (Expenses \$ 0 including grants of \$ 50,000) (Revenue \$ 0)
Roots for Survivors Program. This program is designed to assist in the building of shelters for survivors of sexual violence in the area surrounding Panzi Hospital who have purchased, or have been given, very small plots of land for living.
These women, due to medical conditions, cultural taboos, displaced villages or children and/or women with HIV, cannot return to their villages and have no place to live.
The program attends to their legal needs re: ownership, which is often manipulated to strip the women of their land. It is also used to buttress their claims via the appropriate paperwork. Given the large amount of needed shelter, the sums that are provided are small, however the need is great.
Building materials such as tin, and possibly wood, or concrete, is extremely expensive in the DRC and is completely out of reach for the women unless assistance is provided. The program will be ongoing for many years.

4c (Code:) (Expenses \$ 0 including grants of \$ 30,600) (Revenue \$ 0)
Assistance in funding the Director of Programs at Panzi Hospital. This position was created to coordinate the numerous hospital programs associated with care of sexual violence survivors at Panzi Hospital. Panzi Foundation provided a part of the position salary through general funding. The position is an ongoing administrative function of the hospital but is not provided for by grants via USAID, UN, and the European Union, which provide for the general hospital general operating expenses.
Part of the position is supported by the USHINDI program which is a program funded in part by USAID.
There was not Director of Programs at Panzi Hospital, which is constantly under pressure as one of only two general hospitals in the entire eastern part of the DRC, and the effectiveness of the programs was deteriorating due to a lack of managerial skills and available time. The program has been enormously successful in organizing and running various projects at the hospital

Total program expense for year was 196,759. The rest of the programming are small, individual projects and do not seem to be large enough to be listed on Schedule O as described in line 2.

4d Other program services (Describe in Schedule O.)
 (Expenses \$ including grants of \$) (Revenue \$)
