CONCORDIA PARTNERSHIPS AGAINST EXTREMISM, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE A – NATURE OF ORGANIZATION

Concordia Partnerships Against Extremism, Inc. ("Organization") is a not-for-profit organization whose main purpose is to build public-private partnerships to ensure the security and sustainability of communities around the world. Each year The Organization convenes an annual meeting of executives, current and former heads of state, and non-governmental organizations ("NGO") leaders to facilitate the building of partnerships that address the most pressing issues of our time.

NOTE B – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting. Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to any donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donors permit the Organization to use all or part of the income earned for either general or donor-specified purposes.

The Organization does not have any donor-imposed temporarily or permanently restricted net assets.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is exempt from federal and state income taxes under Section 501(c) (3) of the Internal Revenue Code. Therefore, the financial statements do not reflect a provision for income taxes.

CONCORDIA PARTNERSHIPS AGAINST EXTREMISM, INC. NOTES TO FINANCIAL STATEMENTS

Although currently the Organization has no such pending tax issues, the Organization adopted FASB ASC 740-10, Accounting for Uncertainty in Income Taxes

This pronouncement seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. If such an issue should arise, the Organization would assess its income tax positions based on management's evaluation of the facts, circumstances and information available at the reporting date and the Organization would use the prescribed "more likely than not" threshold in making such an assessment. Because at adoption there were no such issues pending, the Organization did not record any cumulative effect adjustment, and the Organization did not accrue any interest expense or penalties related to tax positions. There are currently no open Federal or State tax years under audit.

The Organization is required to file informational Form 990 and related returns with the IRS and the States of New York and Virginia. Management has performed its evaluation of all other income tax positions taken on all open income tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard. Accordingly, there are no provisions for income taxes, penalties or interest receivable or payable relating to uncertain income tax provisions in the accompanying financial statements.

Cash and Cash Equivalents

Cash and cash equivalents are composed of interest bearing checking, savings, and money market accounts. The Organization considers all highly liquid investments with a maturity of less than three months when purchased to be cash equivalents

Contributions of Goods and Services

Contributions of donated goods and services that create or enhance non-financial assets or that require specialized skills, which are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Donated services in an amount of \$11,333 were required to be recorded for the year ended December 31, 2011.

CONCORDIA PARTNERSHIPS AGAINST EXTREMISM, INC. NOTES TO FINANCIAL STATEMENTS

Functional Allocation of Expenses

The costs of providing the various services the Organization offers have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Long-Lived Assets

Long-lived assets, such as property, plant, and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset be tested for possible impairment, the Organization first compares undiscounted cash flows expected to be generated by an asset to the carrying value of the asset. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary.

Revenue Recognition

Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period received or promised. Conditional contributions are recorded when the conditions have been substantially met. Contributions are considered to be unrestricted unless specifically restricted by the donor.

The Organization reports contributions in the temporarily or permanently restricted net asset class if they are received with donor stipulations as to their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are released and reclassified to unrestricted net assets in the consolidated statement of activities. Donor-restricted contributions are initially reported in the temporarily restricted net asset class, even if it is anticipated such restrictions will be met in the current reporting period.

Fair Value of Financial Instruments

FASB ASC 825, Disclosure about Fair Value of Financial Instruments, requires disclosure of the fair value of financial instruments when it is practical to estimate. Management believes the carrying values of cash and cash equivalents, accounts receivable, accounts payable, accrued expenses and notes payable are reasonable estimates of their fair value because of their short-term nature and interest rates.

Allowance for Doubtful Accounts

The Organization maintains an allowance for doubtful accounts, which represents its best estimate of probable losses inherent in the accounts receivable balance. The Company

CONCORDIA PARTNERSHIPS AGAINST EXTREMISM, INC.

NOTES TO FINANCIAL STATEMENTS

evaluates specific accounts when it becomes aware of a situation where a customer may not be able to meet its financial obligations due to deterioration of its liquidity or financial viability, credit ratings, or bankruptcy. The Company periodically adjusts this allowance based upon its review and assessment of each category of receivable. There is no allowance for doubtful accounts at December 31, 2011.

Recently Issued Accounting Standards

In January 2010, the FASB issued Accounting Standards Update (ASU) 2010-06 which provides amendments to ASC 820. The amendments in this ASU require additional disclosures regarding fair value measurements. ASU 2010-06 requires entities to disclose additional information regarding assets and liabilities that are transferred between levels of the fair value hierarchy. Entities are also required to disclose information in the Level 3 rollforward about purchases, sales, issuances and settlements on a gross basis. In addition to these new disclosure requirements, ASU 2010-06 clarified existing guidance pertaining to the level of disaggregation at which fair value disclosures should be made and the requirements to disclose information about the valuation techniques and inputs used in estimating Level 2 and Level 3 fair value measurements. The ASU is effective for the Organization for the year ended June 30, 2011, except the requirement to separately disclose purchases, sales, issuances and settlements in the Level 3 rollforward that becomes effective for fiscal years beginning after December 15, 2010. The adoption of this ASU did not cause material changes to the disclosure in the 2011 financial statements. However, the requirement to separately disclose purchases, sales, issuances and settlements in the Level 3 rollforward that becomes effective for fiscal years beginning after December 15, 2010 is expected to affect the disclosures in the Organization's financial statements beginning with fiscal year 2012.

In addition, amending ASC 820, in May 2011 the FASB issued ASU 2011-04, which will require entities to change the wording used to describe the requirements in U.S. GAAP for measuring fair value and for disclosing information about fair value measurements. ASU 2011-04 clarifies the application of existing fair value measurement and disclosure requirements related to the application of the highest and best use and valuation premise concepts for financial and nonfinancial instruments, measuring the fair value of an instrument classified in shareholder's equity, and disclosures about fair value measurements. ASU 2011-04 changes the measurement of the fair value of financial instruments that are managed within a portfolio and the application of premiums and discounts in a fair value measurement related to size as a characteristic of the reporting entity's holding rather than a characteristic of the asset or liability. ASU 2011-04 requires additional disclosures about fair value measurements categorized within Level 3 of the fair value hierarchy including the valuation processes used by the reporting entity, the sensitivity of the fair value to changes in unobservable inputs, and the interrelationships between those unobservable inputs, if any. All the amendments to ASC 820 made by ASU 2011-04 are

CONCORDIA PARTNERSHIPS AGAINST EXTREMISM, INC.
NOTES TO FINANCIAL STATEMENTS

effective for periods beginning after December 15, 2011. The adoption of ASU 2011-04 is not expected to have a material impact on the financial statements, except it will enhance the disclosures around fair value of investments.

Subsequent Events

Subsequent events have been evaluated through November 15, 2012, which is the date the financial statements were available to be issued.
