Line 2(d) – Restrictions/Limitations on grants

The Christina and John Anagnos Educational Foundation

EIN – 30-6022912

A qualified scholarship recipient must (1) be admitted to a medical school in Greece, (2) be able to read a language in addition to Greek, (3) demonstrate a financial need in connection with attendance at the medical school, (4) be considered capable of doing satisfactory medical school work leading to the receipt of a medical degree from such medical school, (5) be either male or female and of good moral character, and (6) be considered as having reasonable prospects of making a valuable contribution to society.

Each scholarship will be granted for one year and can be renewed for the next year if the scholarship recipient has passed the exams of all the courses of the previous academic year within the time permitted for the exam period of each academic year and otherwise remains qualified.

If the scholarship recipient transfers or postpones the exams of any course or courses to the next or future academic years, he or she will be disqualified as a scholarship recipient and will be ineligible for remaining and or future scholarship installments. An exception would be for uncontrollable and serious circumstances, such as a serious illness, that arise necessitating the transfer or postponement of the exams of any courses to the next or future academic year. In that event, at a future date, the scholarship recipient may take any pending exams and if he or she passes such exams, the recipient may apply for the payment of the balance of the scholarship, if any, as well as for the renewal of it for the next academic year.

Each scholarship shall be granted for no more than the number of academic years necessary to obtain the medical degree, presently being six years, and must be consecutive for any one scholarship recipient.

The scholarship is not to be repaid by the scholarship recipient. The Executive Secretary will publish announcements for the scholarships available each year in at least one national newspaper or periodical as well as through other means. The Executive Secretary will also maintain all records regarding the Foundation and specifically the scholarships and will provide those records to the Illinois Trustee.

The Selection Committee will select qualified scholarship recipients and the Trustee will distribute the amount available for scholarships each year to selected scholarship recipients in accordance with the following priority:
