Identifier	Return Reference	Explanation
Schedule D, Part V - Line 4		The MVHF makes every effort to always follow the intent and wishes of all its donors. The intended uses of the organization's endowment funds and/or earnings from endowment funds are driven by the wishes/restrictions placed on the funds by the donor. Permanent endowments result when a donation is received with a restriction that the principal or gift amount is to be retained in perpetuity and cannot be spent. The earnings from the permanent endowments are then used for the purpose specified by the donor. The major "categories" of permanently restricted endowments are as follows: to fund various departments of Miami Valley Hospital, including Maternity, NICU and Trauma Surgery (40%), to benefit MVHF operations (13%). Temporary endowments are funds in which funds in which all or part of the principal may be expended only after the expiration of a stated period of time or occurrence of a specified event, depending on the donor's wishes. Earnings from temporarily restricted endowments can be either unrestricted or restricted. The MVHF uses the temporarily restricted endowments for the intended purpose set up by the donor, only after the period of time or specified event set by the donor has been met. SCHEDULE D, PART X - LINE 2. MIAMI VALLEY HOSPITAL FOUNDATION (MVHF) IS A MEMBER, UNDER A JOINT OPERATING AGREEMENT, OF PREMIER HEALTH PARTNERS WHICH IS TAX-EXEMPT UNDER SECTION 501(C)(3) OF THE INTERNAL REVENUE CODE. AS SUCH, THERE IS NO INCOME TAX LIABILITY RECORDED AT DECEMBER 31, 2011 AND 2010. IN ADDITION, MANAGEMENT ANNUALLY REVIEWS ITS TAX POSITIONS AND HAS DETERMINED THAT THERE ARE NO MATERIAL UNCERTAIN TAX POSITIONS THAT REQUIRE RECOGNITION IN THE COMBINED FINANCIAL STATEMENTS.

Identifier	Return Reference	Explanation
Part I, Line 4b		Due to restrictions contained in the Internal Revenue Code, certain persons are limited in the amount of benefits that can be earned under a qualified retirement plan. Like many employers, Premier Health Partners compensates for this limitation and supplements the affected executive's qualified pension through certain nonqualified plans. The benefits under these supplemental nonqualified plans are subject to multi-year vesting and a participant can forfeit benefits earned if vesting requirements are not satisfied. Under the terms of the supplemental plans, and because of tax rules pertaining to taxation of the earned benefits upon vesting, certain individuals received a payout of the cumulative vested benefits under their supplemental plan during 2011. The individuals listed below met the multi-year vesting requirement and received the associated plan payment in 2011 for the vested benefits cumulatively earned under the supplemental plan over their years of service to the organization. J Michael Sims \$12,010. All or parts of these payments were also properly reported on prior years' filed IRS Form 990 returns disclosing compensation earned by these individuals under the plans for each such year. However, based on the guidance provided in the instructions to the Form 990, any payments to the participants related to these plans that were made within 2-1/2 months after the end of the organization's tax year are not treated as deferred compensation for purposes of Schedule J. Such amounts are properly reported as compensation for Form 990 purposes when included in the participants' Form W-2 wages, which in this situation is 2012. Part I, Line 6a & 6b. Premier Health Partners, of which Miami Valley Hospital Foundation is a member, has an incentive component for all executive and director level employees that ties a portion of their total compensation to organizational and individual objectives and outcomes. The organizational criterion is weighted according to balanced scorecard categories: Positive Work Environment (15%), Quality (30%), Patient Satisfaction (15%), Financial (20%) and Major Projects (5%). The financial category of the scorecard is based on net earnings of the individual hospital and the net earnings of the system of a whole. This financial target is set based on the operating and cash flow margins required to maintain the system Aa credit ratings. Directors, Vice Presidents and above incentive objectives are weighted 45% on organizational criteria and 45% on individual criteria, and 10% on Organizational Effectiveness. The 2011 incentive plan amounts were paid to the participants in 2012. These are not reported as deferred compensation on the 2011 Form 990 based on the definition of deferred compensation contained in the Form 990 instructions. Per the instructions, "deferred compensation is generally treated as earned or accrued in the year that services are rendered, except when entitlement to payment is contingent on satisfaction of organizational goals or specified performance criteria (other than mere longevity of service) under the deferred compensation plan." Based on the incentive program's criteria outlined above, we believe the incentive payments meet the exception noted in the instructions. Such amounts are properly reported as compensation for Form 990 purposes when included in the participants' Form W-2 wages, which in this situation is 2012.

MedAmerica Health Systems Corporation approves all amendments to the Articles of Incorporation and Code of Regulations. Form 990, Part VI - Section B - Question 11b. This 990 tax return and attached schedules (the return) are prepared by a staff member in the Tax Department of Premier Health Partners (PHP), of which Miami Valley Hospital Foundation is a member. The return is reviewed by the Tax Manager and a Director of the Financial Accounting Department of PHP. The return is concurrently sent to Ernst & Young U.S. LLP for their review. After all changes from the above group are made, the return is reviewed by the Vice President/Controller of PHP and the Chief Financial Officer of this entity. A final version of the return is sent to Ernst & Young U.S. LLP for a final review and then provided to the Board of Directors for review. At the meeting, the Vice President / Controller of PHP shares detailed information on compensation and community benefits, as well as address any other questions from the Board of Directors, pending their review. The 990 tax return is also shared with the Audit Committee of PHP. At the meeting, the Vice President / Controller of PHP shares detailed information on compensation and community benefits, as well as addresses any other questions from the committee. Form 990, Part VI, Section B - Question 12c. Premier Health Partners (PHP), of which, Miami Valley Hospital Foundation is a member, requires all board members, officers, executives and management personnel to annually review the PHP Comprehensive Conflict of Interest Statement, an explanatory memorandum, the Antitrust Compliance Policy and complete an individual questionnaire disclosing any conflicts or potential conflicts as defined in the Conflict of Interest Policy. This is accomplished with a memo sent annually from the Chairman of the Board and Chief Executive Officer for PHP to all board members, executive directors, management personnel, purchasing department staff and authorized purchasers. This memo includes a Comprehensive Conflict of Interest Statement that each individual must sign. It also includes an explanatory memorandum of specific activities that might give cause to a conflict and an individual questionnaire to disclose all such activities. This questionnaire must be completed and signed by the individual. Last, this memo includes a copy of the Antitrust Compliance Policy that must be signed by the individual. All of these documents are sent to the Corporate Compliance Office. Corporate Compliance ensures all forms are returned and retains the documents for five years. In addition, at each meeting of the board or any board committee, following approval of the minutes, the board or committee chair shall request any board member who perceives a potential conflict of interest on any of the meeting's agenda items to disclose the potential conflict. Additionally, any board or board committee meeting where the subject of conflict of interest is discussed, the normally taken minutes shall contain the name of the party discussing a potential conflict of interest, the conflict of interest discussed, and whether a conflict of interest was found to exist. If a conflict of interest does exist, the member will be excused from participating in any discussion or voting on the particular agenda item. The Corporate Compliance Officer reports the results of the PHP Conflict of Interest questionnaires no less than annually to the Board of Trustees by way of the Compliance and Audit Committee. This review is documented in the minutes of the meeting. Periodically, the Internal Audit Department will review a sample of the completed Conflict of Interest questionnaires and report results to the Compliance and Audit Committee. The annual Conflicts of Interest questionnaires are individually summarized in a Word document and sent electronically to the Finance Department for any necessary disclosure required by the 990 tax return. Form 990, Part VI, Section B - Question 15a and 15b. Premier Health Partners (PHP), of which Miami Valley Hospital Foundation is a member, follows a market-based compensation philosophy designed to attract and retain the executive talent required to meet the high performance standards of our board and our community. PHP annually reviews executive compensation survey data for a regional peer group of systems and hospitals that are similar in size and complexity to PHP and its subsidiaries. The data for the survey is provided by a third party consultant group that is independent of PHP. This report includes comparability for key executives, vice presidents and director level positions. The independent comparability data is reviewed by the executive compensation committee on an annual basis. This committee is comprised of three members, all of which are independent. This committee reviews in detail the compensation for the PHP CEO, COO, CFO, Chief Strategy Officer, and the hospital CEOs. Other positions are reviewed at a high level for reasonableness. All the meeting minutes are documented and kept on file along with any comparability data and the consultant report. After the compensation committee reviews and approves the compensation actions, the process is audited by the internal audit department. The executive compensation committee presents the compensation actions to the PHP board annually. Form 990, Part VI - Section C - Question 19. The governing documents, conflicts of interest and financial statements are made available to the public when required by law or for accreditation purposes. Form 990, Part XI - Question 5.
