Part VI, Line 11b: The Executive Director informs the Board when the 990 is filed and that it is available for their inspection upon request.

Part VI, Line 12c: Board members and employees must disclose all financial interest in any property which the Council for Older Adults purchases, or a direct or indirect interest in a supplier, contractor, grantee, consultant or other entity with which the Council for Older Adults does business. Since it is not possible to write a policy that covers all potential conflicts, board members and employees are expected to be alert for, disclose and, where possible avoid situations which might be construed as conflict of interest. Any possible conflict of interest on the part of any board member should be disclosed to the other board members and made a matter of record, either through an annual procedure or when the interest becomes a matter of board action. Any board member having a conflict of interest or possible conflict of interest should not vote or use his/her personal influence on the matter, and he/she should not be counted as a part of a quorum for the meeting for the purpose of this vote. The minutes of the meeting should reflect that a disclosure was made, the absention from voting and the quorum situation. These restrictions should not be construed as preventing the board members from briefly stating his/her position in the matter, nor from answering pertinent questions of other board members, his/her knowledge could be of assistance to the deliberation. All board members will be required to complete the " Conflict of interest Statement". This statement and policy is reviewed by the board annually and given to all new board members for signature during their orientation.

Part VI, Line 19: Governing documents are available to the public upon request, either verbal or written request.

Part XII, Line 2c. The audit committee, made up of board members, reviews the audit report and meets with the independent accountant to discuss the audit report.

Part VI, Line 15a: Annually, the executive committee of the board of directors serves as a committee to review the executive director's performance and compensation. As part of the performance appraisal process the committee seeks the input of all board members and compiles a report which is presented to the full board. The committee annually reviews compensation data from outside sources such as national data from GuideStar and state data from the Ohio Association of nonprofit Organizations. The committee does this review independent of the executive director and makes a report and recommendations to the full board in executive session without the participation of the executive director. Upon the approval of the full board, a compensation offer is made for the following year and, if accepted, the executive directors employment agreement is amended accordingly.
