Description of Intended Use of Endowment Funds	Part V, Line 4	The Home has a policy of appropriating for distribution each year 5 percent of its endowment fund's average fair value over the prior three years through the calendar year end preceding the year in which the distribution is planned. In establishing this policy, the Home considered the long term expected return on its endowment. Accordingly, over the long term, the Home expects the current spending policy to allow its endowment to grow at a rate that sufficiently satisfies the Homes ability to provide care to its residents at a consistent level indefinitely. This is consistent with the Home's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.
Description of Uncertain Tax Positions Under FIN 48	Part X	The Foundation is exempt from income tax under Section 501(c) (3) of the Internal Revenue Code. Contributions to the Foundation qualify as charitable deductions. The Foundation has not entered into any transactions which would subject it to unrelated business income tax. The federal Return of Organizations Exempt From Income Tax for the Foundation is no longer subject to federal income tax examination by tax authorities for the years ending prior to 2008. In the normal course of business, however, the Foundation are subject to examination by various other taxing authorities. Although the outcome of tax audits is always uncertain, the Foundation believes that there is no significant unrecognized tax liabilities at December 31, 2011.
