Monitoring procedures (Part I, line 2)

The Foundation rarely does receive grants or assistance from the Government or from the State of West Virginia. The last grant received was over two years ago, The Flex Grant. Donations are made by individuals and businesses to the Foundation in order to provide students with assistance to improve their Quality of Life by continuing in school and going to a higher education - college.

In order for a student to receive assistance, the Board looks for a student while in high school that can maintain a "B" average or 3.00 G.P.A. However, when a student renews for their assistance they are required to maintain a 3.00 G.P.A. and must be a full time student which is considered twelve hours.

Scholarships or assistance requires the student to be a "Valedictorian," while others may also require the student to participate in their local community activities while keeping a 3.00 G.P.A.

Each student is required to show documentation that the student's grades have meet the requirements.
