The Aon Foundation invests a portion of its available funds through Aon Funds (a business trust). The other participants in the Fund are Aon Corporation and its affiliates. The pooling of investments which results from the utilization of the Fund permits the Foundation to maximize its investment return.

Because substantial contributors to the Foundation and their affiliates may have more than 35% voting control of the Fund, the Fund may be a disqualified person with respect to the Foundation. The sharing of expenses (on a pro rata basis) which results from the investment of the Foundation's assets through the Fund is excepted from the self-dealing provisions of Internal Revenue Code Section 4941 (d) (2) (E) and Treasury Regulations Section 53.4941(d)-3(c).
