Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

The CAP Foundation maintains files for each awardee, and each file includes a copy of the award letter detailing dates for all check distributions. After the awardee informs the CAP

Foundation that they will be accepting the award, they are required to complete an IRS Form W-9. This insures that the CAP Foundation captures the correct entity that will be receiving

funding on behalf of the project. The Form W-9 is required by all awardees, both individuals and institutions and after it is received, the first check is automatically processed and mailed

Before any additional checks are mailed, a summary report is required. This usually occurs anywhere from three to six months after the first check is mailed. These summary documents

are the mechanism used to determine how the first distributions of funds were utilized. If the report demonstrates that the funds are being managed appropriately, the CAP Foundation

files the report and proceeds with the next check distribution. A final report on each project is also due before the final check is distributed. This also insures that the project is moving

along as scheduled, and any unusual concerns can be addressed before the final check is received by the grantee. All entities applying for See, Test & Treat program grants from the

CAP Foundation must demonstrate solid financial and program management. No later than 15 days after the program, submission of a See, Test & Treat program outcome data worksheet

is required. In addition, all See, Test & Treat programs receiving funding will be required to submit proof of expenses incurred for items funded through the grant in order for the CAP

Foundation to monitor the actual program costs.

Part I, Question #3

The Foundation employees are compensated directly by College of American Pathologists ("CAP"), a related organization, therefore, all compensation is established by CAP. The Executive Director's compensation was set based on market data specifically for those positions with similar scope of responsibilities. The position was then reviewed and incorporated into CAP's salary structure at the grade where the 50th percentile of market data was most closely aligned with midpoint. The incumbent's salary was set within the appropriate grade based on the incumbent's skills and is managed based on performance.

Question #15 (a) - Compensation (continued)

Foundation Executive Director

The organization desires to ensure that its executive compensation program is competitive, fair, and equitable as well as compliant with regulatory guidelines and representative of market best practices. The organization considers national peer groups of organizations of comparable size (i.e., revenues) and complexity to determine the market value for executive positions. These peer groups will vary by position and required skill sets.

CAP has established a target market position for each of the following components of its executive total compensation program: base salaries, total cash compensation, qualified benefits, supplemental benefits/perquisites, and severance.

CAP will exercise the utmost care in ensuring that all elements of each executive's compensation is properly reported as required by the Internal Revenue Service Form W-2, Form 941, and Form 990.
