The number of student representatives per school/college is based proportionately on the number of students enrolled in the school/college. MSA elections may be held once each fall/winter academic semester, if student representative seats are required. The President and Executive Vice President are elected by a vote of the student body at large. All other executive officers are nominated by the President, confirmed by the Assembly, and may be removed by a two-thirds vote by the Assembly. -----Form 990, Part VI, Line 7b - Decisions Subject to Approval of Members Any action taken by the Assembly may be brought before the student body for its decision by a referendum vote in either of the MSA spring elections, or the optional fall semester elections. The recall of the President, Vice President, or any Assembly representative may be initiated by a vote of two-thirds of the membership of the Assembly, or by a recall petition signed by enrolled students.
