Attachment to 2011 Balance Sheet

The beginning balance is \$50,000 higher than the prior year ending balance. The balance in the CD was \$50,000 too low at the end of the year. Due to some confusion, a \$50,000 deposit into the checking account was characterized as a transfer from the CD rather than a contribution from the trustees. The income was recorded properly last year. The beginning balance sheet is being amended to reflect proper ending balances in the accounts. This adjustment does not affect the 2010 tax on net investment income.
