These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements of the Foundation taken as a whole. The schedule of functional expenses on pages 13 and 14 are presented for purposes of additional analysis and are not a required part of the financial statements of the Foundation. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Note 1 - Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Benedictine Life Foundation of Madison, Wisconsin, Inc. ("Foundation") is a not-for-profit corporation established September 5, 1995 under the laws of the State of Wisconsin. The Foundation operates to provide ongoing support and development for the program and capital needs of Benedictine Life Foundation of Wisconsin, Inc. and Benedictine Women of Madison, Inc. ("Organization") by conducting fundraising campaigns and receiving, investing, administering and distributing funds to and for the benefit of Benedictine Life Foundation of Wisconsin, Inc.

Financial Statement Presentation

The Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are not subject to donor-imposed stipulations. Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met by actions of the Foundation. Permanently restricted net assets consist of endowment funds to be held indefinitely. Endowment contributions are permanently restricted until the endowments' goals are met. Earnings from these funds is expendable for program services related to each endowment's purpose.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Foundation to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Income Taxes

The Foundation is exempt from Federal and State income taxes under Internal Revenue Code Section 501(c)(3). Accordingly, no provision for income taxes is included in the accompanying statements.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

The organization maintains cash accounts and security investments with banks and stock brokerage firms. Balances of certain accounts are insured up to $500,000, with a limit of $250,000 for cash, by the Securities Investor Protection Corporation and Federal Deposit Insurance Corporation (FDIC), respectively. At times, cash balances may exceed the FDIC insurance limit.

Note 1 - Summary of Significant Accounting Policies (Continued)

Investments

Investments are composed of marketable equity securities with readily determinable fair values. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities. Investment transactions are accounted for on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recognized on the accrual basis.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets.

Unconditional promises to give, due in subsequent years, are reported at the present value of their net realizable value, using a discount rate applicable to the years in which the promises are to be received.

Donated Assets/Contributed Services

Artwork and other donated assets are recorded as contributions at their estimated fair values at the date of donation. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Note 4 - Fair Value Measurements

The Financial Accounting Standards Board (FSAB) ASC Topic 820, Fair Value Measurements, provides a revised definition of fair value and establishes a framework for measuring fair value. The standard also establishes a fair value hierarchy that distinguishes between inputs based on market data from independent sources (observable inputs) and reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable (unobservable inputs).

The fair value hierarchy in FASB ASC 820 prioritizes fair value measurements into three levels based on the nature of the inputs. The three levels of the fair value hierarchy under FASB ASC Topic 820 are as follows:

Note 4 - Fair Value Measurements (Continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. Level one investments include money market funds and mutual funds.

Level 2 - Inputs into the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. The Foundation does not have any Level 2 investments.

Level 3 - Inputs to the valuation methodology are observable and significant to the fair value measurement. The Foundation does not have any Level 3 investments.

The following table presents the Foundation's investments by level within the hierarchy as of December 31, 2011 and 2010:
