Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets are reported as reclassifications between the applicable classes of net assets. Donor-restricted contributions whose restrictions are met during the same year are reported in the unrestricted net asset classification. Donor contributions are received for general operating purposes and to support specific programs. Contributions, including unconditional promises to give, are recognized as revenues in the period the pledge is received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.
