Assistant Secretary

**AMENDED AND RESTATED BY-LAWS
OF
WELLS FARGO FOUNDATION**

DIRECTORS

Section 1.01 Number; Method of Election. The Board of Directors of the Foundation shall consist of no fewer than three and no more than nine persons, and, subject to such limitation, the number of members of the Board of Directors shall be such as may be designated from time to time by the Wells Fargo & Company ("Wells Fargo"). Directors of the Foundation shall be appointed by Wells Fargo prior to each annual meeting of the Foundation.

Section 1.02 Term. Each director shall be appointed to serve for a term of one year. A director shall hold office for the term for which he or she was appointed, and, unless the Board of Directors has determined that a successor will not be appointed, until his or her successor is appointed and has qualified, or until the earlier death, resignation, removal, or disqualification of the director.

Section 1.03 Removal; Resignation; Vacancies. Any director may at any time be removed with or without cause by the Board of Directors or by Wells Fargo. Any director may resign at any time by giving written notice to the President or the Secretary. A director's termination of employment with Wells Fargo & Company or any of its subsidiaries shall also terminate such director's service as a director of this Foundation, effective as of the date his or her employment with Wells Fargo or any of its subsidiaries' so terminates. The resignation shall be effective without acceptance when the notice is received by the President or the Secretary, unless a later effective date is specified in the notice. Vacancies on the Board of Directors resulting from the death, resignation, removal, or disqualification of a director may be filled, for the unexpired term of such director, by a person elected by the affirmative vote of a majority of the remaining members of the Board of Directors, though less than a quorum. Vacancies on the Board resulting from newly created directorships may be filled by a person appointed by Wells Fargo for a full term of office unless Wells Fargo designates a shorter term of office.

Section 1.04 Annual Meeting. The annual meeting of the Board of Directors for the purpose of electing officers and transacting such other business as may properly come before the meeting shall be held each year at the time and place, within or without the State of Minnesota, designated from time to time by the Board of Directors.

Section 1.05 Other Meetings. Other meetings of the Board of Directors may be held at such time and place as are announced at a previous meeting of the Board of Directors. Meetings of the Board of Directors may also be called at any time (a) by the President, (b) by Wells Fargo, or (c) upon the written request of two or more members of the Board of Directors. Anyone entitled to call a meeting of the Board of Directors may make a written request to the Secretary to call the meeting, and the Secretary shall give notice of the meeting, setting forth the time and place thereof, to be held between one and thirty days after receiving the request. If the Secretary fails to give notice of the meeting within seven days from the day on which the request was made, the person or

persons who requested the meeting may fix the time and place of the meeting and give notice in the manner hereinafter provided.

Section 1.06 Notice of Meetings. Notice of each meeting of the Board of Directors for which notice is required, and of each annual meeting, stating the time and place thereof, shall be given to each director by a form of electronic communication consented to by the director or in person at least one day before the meeting, or shall be mailed to each director at least five days before the meeting. All such notices not given in person shall be sent to the director at his or her postal address, or his or her electronic mail address at which the director has consented to receive notice, according to the latest available records of the Foundation. A director may waive notice of the date, time and place of a meeting of the Board of Directors. A waiver of notice by a director entitled to notice is effective whether given before, at or after the meeting, and whether given in writing, orally or by attendance. Attendance by a director at a meeting is a waiver of notice of that meeting, unless the director objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened and thereafter does not participate in the meeting. Notice of an adjourned meeting need not be given other than by announcement at the meeting at which adjournment is taken of the date, time and place at which the meeting will be reconvened.

Section 1.07 Quorum and Voting. The presence in person of a majority of the directors currently holding office shall be necessary to constitute a quorum for the transaction of business. In the absence of a quorum, a majority of the directors present may adjourn a meeting from time to time without further notice until a quorum is present. If a quorum is present when a duly held meeting is convened, the directors present may continue to transact business until adjournment, even though the withdrawal of a number of the directors originally present leaves less than the proportion or number otherwise required for a quorum. At all meetings of the Board of Directors, each director shall be entitled to cast one vote on any question coming before the meeting. A director shall not appoint a proxy for himself or herself or vote by proxy at a meeting of the Board of Directors. Except as otherwise required by law or specified in the Articles of InFoundation of the Foundation, the Board shall take action by the affirmative vote of a majority of the directors present at a duly held meeting.

Section 1.08 Remote Communication. A director may participate in a meeting of the Board of Directors by means of conference telephone or, if authorized by the Board of Directors, by such other means of remote communication, in each case through which that director, other directors so participating, and all directors physically present at the meeting may communicate with each other during the meeting. Participation in a meeting by remote communication constitutes presence at the meeting.

Section 1.09 Action Without a Meeting. An action required or permitted to be taken at a Board meeting may be taken without a meeting by written action signed by all of the directors. If the Articles of Incorporation so provide, any action may be taken by written action signed by the number of directors that would be required to take the same action at a meeting of the Board at which all directors were present. The written action is effective when signed by the required number of directors, unless a different effective time is provided in the written action. When written action is permitted to be taken by less than all directors, all directors shall be notified immediately of its text and effective date.

Section 1.10. Committees. Subdivision 1. A resolution approved by the affirmative vote of a majority of the Board may establish committees having the authority of the Board in the management of the business of the Foundation only to the extent provided in the resolution. Committees shall be subject at all times to the direction and control of the Board.

Subdivision 2. A committee shall consist of one or more natural persons, who need not be directors, appointed by the affirmative vote of a majority of the directors present at a duly held Board meeting.

Subdivision 3. Sections 1.05 to 1.09 hereof shall apply to committees and members of committees to the same extent as those sections apply to the Board and directors.
