Scholarships and grants The Scholarship Program provides merit-based scholarships to students seeking financial assistance to complete their education. TMCf scholarship recipients are awarded annually to students meeting the TMCf eligibility criteria. Awards are made each semester based on a verification process designed to ensure that students are meeting high expectations and have an unmet financial need. The TMCf internship program is managed by the Talent Acquisition division and seeks students who attend member-schools and maintain a minimum GPA of 3.0. Members of the division serve as a liaison and provide support to students throughout the Internship Program. The identification process is implemented by pre-screening students for geographic preferences, career objectives, and matching TMCf's partners' needs. Qualified applicants demonstrate personal effectiveness competencies such as active listening skills, presentation skills, professionalism, dependability and reliability, interpersonal skills and self awareness in order to model the behavior of a student for whom the Talent Acquisition division determines is the best recruit.

Leadership training and seminars The Teacher Quality and Retention Program (TQRP) was designed to help teachers enhance the learning experience of students. Historically Black Colleges and Universities (HBCUs) graduate more minority teachers than any other source. TQRP provides one-week summer institutes designed to give education majors experience in the application of educational theories and practices. This training will equip future teachers with the skills they need to successfully enter high-need schools in urban and rural communities. Selected STEM majors will take part in a two-week fellowship designed to expose those considering a career in education to the latest theories and practices associated with exemplary science and mathematics instruction. Program fellows will attend one of four Institutes being held around the country.
