Form 990, Part III, Line 1 - Organization Mission

St. Joseph's Community Foundation advances, promotes, and supports the health care ministries that benefit the communities in Paris, Texas and Lamar County. The Foundation supports and creates faith-based ministries in Lamar County that foster healthy lives, promote spiritual growth and the growth of healthy communities. It is also the purpose of the Foundation to aid, lend financial support, and assistance to, and to invest, transfer, and/or dispose of funds for the use and benefit of, and in furtherance of, the purposes of CHRISTUS Health. The Foundation also makes gifts, grants, and contributions to other qualifying tax-exempt organizations, particularly those designed to support and benefit the health and welfare of the poor and underserved.

Form 990, Part III, Line 4a - Program Service Accomplishments

St. Joseph's Community Foundation (SJCF) was established in 2003 by CHRISTUS Health to perpetuate the legacy of the Sisters of Charity of the Incarnate Word, who have served the community since 1911 and worked tirelessly to develop and support a number of local community health initiatives in Paris, Texas and surrounding communities. Foundation directors raise funds for various services, programs and facilities to improve the health of the community. In addition, the Foundation provides funding for select programs in the Red River Valley through grants, with an overall goal to support the creation of a healthier community. SJCF supports and collaborates with agencies that are working to address the root causes of at-risk lifestyle behaviors among at-risk populations with a goal to improve the health and well-being of the Red River Valley communities. In awarding grants, SJCF focuses on programs that serve the economically poor and underserved, women, children, and the elderly, and those whose mission and values are compatible with those of the Foundation. A driving principle of the Foundation is that collaboration among community organizations is essential to

maximize financial and human resources. There are simply not enough resources to do it alone or to duplicate services. In addition, the Sisters have always had a commitment to serve the poor, and the Foundation continues to be guided by that goal, funding programs and services that are in keeping with the long history and tradition of this commitment.

CHRISTUS Health was formed in 1999 to strengthen the 130-year old faith-based health care ministries of the congregations of the Sisters of Charity of the Incarnate Word of Houston and San Antonio. Founded on the mission "to extend the healing ministry of Jesus Christ," CHRISTUS is challenged to reach out to, and beyond, the more than 60 communities it serves to help those in need. CHRISTUS Health responds to the health care needs through services provided at more than 40 hospitals and long-term care facilities, as well as dozens of health care clinics, physicians' offices, outpatient services, and community-based programs in Texas, Louisiana, Arkansas, Utah, Oklahoma, and Mexico. Although programs may differ from facility to facility, each of CHRISTUS' health care entities has the same objective - which is to lead the way to a healthier community.

Form 990, Part VI, Line 11b - Form 990 Review Process

The Form 990 is prepared and reviewed by the organization's external independent accountants. The CHRISTUS Health accounting department works with an external accounting firm in preparation and review of the Form 990. The filing organization's CFO, or other designee, reviews the Form 990. The final Form 990 that will be filed with the IRS is posted to a secure internet portal for all members of the board of directors to view. interest questionnaire forms to ensure accuracy and that no potential or identified conflict is disclosed or exists. The organization's board of directors is responsible for enforcement of the conflict of interest policy of the organization.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process for CEO, Exec. Dir., or Top Mgtment

The filing organization's CEO/Executive Director is an employee of CHRISTUS Health, a related organization. As a result, compensation is established at the CHRISTUS Health level and the filing organization does not have a role in implementing the methods used to establish compensation or in determining CEO/Executive Director compensation. CHRISTUS Health uses an executive compensation committee to establish and approve the compensation of the filing organization's CEO/Executive Director.

The executive compensation committee is composed of individuals who have no conflict of interest with the compensation arrangements at hand. The executive compensation committee of the CHRISTUS Health board selects an independent external firm to perform an independent compensation review, to ensure that all compensation is reasonable and comparable to other similarly situated organizations, for similarly qualified persons in functionally comparable positions, and to provide supporting information of compensation decisions. On an annual basis, the external consultant:

(1) Develops the merit increase recommendations for all designated system executives based on market comparability. (2) Recommends the changes in the compensation structure (grades) based on the market changes. (3) Completes a review and evaluation of newly created positions to recommend a grade placement to the committee for its discussion and approval. On a bi-annual basis, the external consultant completes a detailed review of all other designated system executives' compensation and benefits. This group includes all top management officials, other officers and key leaders of the organization. The review includes recommendations to the committee on any changes necessary in either specific compensation or

compensation structure to ensure market competitiveness, reasonableness, and internal equity. Upon recommendations from the independent external firm, the executive compensation committee makes final compensation decisions. Additionally, the executive compensation committee reviews all compensation payments for excess benefit transactions. The discussion and decisions of the committee are documented and formalized in the committee minutes and maintained on record.

Form 990, Part VI, Line 19 - Other Organization Documents Publicly Available

The consolidated audited financial statements of CHRISTUS Health are made available to the public via the CHRISTUS Health website. The organization's governing documents and conflict of interest policy are not made available to the public.
