Check if Schedule O contains a response to any question in this Part III

Briefly describe the organization’s mission

The Missouri Dental Association Foundation (MDAF) is a not-for-profit organization committed to improving and promoting dental health within the state of Missouri. The MDAF sponsors dental continuing education programs, the production and distribution of dental health related materials, and, scholarships for dental and dental hygiene students in the state of Missouri. The MDAF promotes participation from its member dentists and community alliances in dental health related activities, such as National Children's Dental Health Month. Through community alliances, such as schools, Parents As Teachers, Head Start and other related groups, the MDAF distributes dental supplies, participates in health fairs and provides support to dental health education programs throughout the state, concentrating especially on underserved populations.

Missouri Mission of Mercy (MOMOM). Another large project the MDAF undertook this year was sponsoring the first Missouri Mission of Mercy (MOMOM) event, September 23-24, 2011 in Springfield. And what an incredible event it was! The two-day MOMOM dental clinic was a resounding success serving 1,856 patients and providing \$1,108,994 in free dental care. The event was the vision of co-chairs Drs. Darren and Sarah Mahaffey who, along with a local committee in Springfield, spent more than a year planning the clinic. This involved fundraising, procuring discounted and in-kind donations and planning, planning, planning! The total amount in monetary donations received was \$115,670. The discounted and in-kind figure is a little harder to pin down because some groups didn't provide values, but the number of companies and organizations that helped us out in big and small ways was astounding (a complete sponsor list is available on the MOMOM webpage, referenced below). And of course, none of this could have happened without all the incredible volunteers. The 1,046 volunteers included 178 dentists, 83 hygienists, 170 Assistants, 3 Physicians, 25 nurses, and 587 general volunteers. Services provided included 1,447 filling and 2,922 extractions, along with other procedures such as cleanings, root canals, and limited lab work. Patients also were given medication as appropriate and provided meals while they waited for treatment. You can see more about MOMOM online at www.modental.org/momom. The MDA Foundation wishes to thank all the volunteers, but especially the Mahaffeys, without whom this event would not have happened. THANK YOU! Tentative plans are being made for a second MOMOM event. Please contact the MDA office if you are interested in being involved in the planning committee for MOMOM #2!

One of the MDAFs largest projects in 2011 has been its work related to the Joplin disaster. The May 22 tornado impacted nearly 40% of the dental workforce in Joplin and four members lost their homes as well. Many of the stories from our members and an overview of the MDAs response to this tragedy have been well documented in the Focus. A key part of that response was the creation of a Disaster Relief Fund by the MDAF Board. The fund provided a central charitable collection source for the wave of generosity that poured in from across the country. To date more \$175,000 has been collected. This has allowed the Board a way to assist dentists in the aftermath of this tragedy, and to have in place a response mechanism for future disasters. The Board and staff spent many hours with legal counsel to ensure the protection of our non-profit status and to develop the required guidelines for distributing financial assistance. At the time of this report, close to \$25,000 had been used in immediate support of Joplin dentists and applications for larger requests are being accepted and reviewed. In addition, the ADA provided \$50,000 in direct relief to Joplin dentists, and the MDA Board of Trustees also has made plans to provide assistance as necessary. The MDA Foundation is no longer accepting donations specifically for the Joplin disaster, but rather has established a general Disaster Relief Fund to continue to help Joplin, but also to help other dentists with future disasters should they happen.

The MDA Foundation continues to offer its long-standing Dental and Dental Hygiene Scholarship Program in 2011. For the 2011-2012 academic year, the MDAF awarded eight \$2,000 dental scholarships (two of which were sponsored by MDIS) and four \$500 dental hygiene scholarships. Last year, the MDAF received only three dental scholarship applications although 10 scholarships were available. The MDAF Board and staff worked very hard this year to promote the scholarship program and were pleased to have received 15 dental scholarship applications in 2011. However, there was a decline in the number of dental hygiene scholarship applications this year, dropping from 18 last year to nine this year. The MDAF is eager to assist our future dentists and hygienists and asks that you promote this program in your communities. Applications for the 2012-2013 scholarships will be sent to the UMKC School of Dentistry and to each dental hygiene program director in February 2012. In an effort to award scholarships to students who are more likely to stay in Missouri after graduation, the scholarship criteria for both dental and dental hygiene scholarships requires all applicants to have been a resident of Missouri for a minimum of five years and be a graduate from a Missouri high school. Below are dental and dental hygiene scholarship recipients along with the high school from which they graduated: Dental Scholarship Recipients: Jason Baker (Osage County R-1, Chamois), Heather Bledsoe (Bolivar High School, Bolivar), Erin Graham (Jefferson City High School, Jefferson City), Andrew Kemlage (De Smet Jesuit, St. Louis), Nichole Madison (Kearney High School, Kearney), Robert Patton III (Rock Bridge High School, Rock Bridge), Brandon Pollard (Wentzville Holt High School, Wentzville), Ashley Popejoy (Branson High School, Branson). Hygiene Scholarship Recipients: Amanda Basler (St. Genevieve High School, St. Genevieve), Missouri Southern State University Lindsey Hall (Oak Grove High School, Oak Grove), UMKC Amanda Moscal (Incarnate Word Academy, St. Louis), UMKC Katelyn Pointer (Marshall High School, Marshall). UMKC Since 1999, the MDA Foundation has awarded more than \$160,000 in dental and dental hygiene scholarships to students in Missouri. In addition, since 2003, the MDAF has invested in the future of dentistry by providing grants to aid in the development of additional dental hygiene programs in the state. By the end of 2011, the MDAF will have provided \$59,000 to aid in developing new and expanding existing dental hygiene programs in Missouri.

Part X	Part X FIN48 Footnote	The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The Foundation was not subject to UBIT for the year ended. The Foundation files Form 990 in the U.S. federal jurisdiction. The Foundation is generally no longer subject to examination by the Internal Revenue Service three years after the forms are timely-filed.

Additional Supplemental Information		The MDAF awarded two grants to entities that applied for available grant funds. The amount awarded was due to the recipients ability to meet the mission of the MDAF in promoting access to care to the citizens of Missouri. The MDAF also awarded scholarships to dental students and dental hygiene students based on applications. The scholarships were paid directly the institution rather than the student. In May 2011 a catastrophic tornado touched down in Joplin, Missouri. The MDAF received donations from various sources wanting to help assist the dentist of this community. The money received was given back to the dentist effected by this tornado based on estimated lose and need.

Its Easy to Find! Teachers at individual schools chose an overall winner from each second grade class and submitted for judging by the MDAF Board Participating teachers are also asked to discuss dental health in the classroom as a part of the contests Winners of the 2011 CDHM Art Contest were First Place Dana Abdulabi, a student at Al-Salam Day School in Ballwin Second Place Elizabeth Martin, a student at Trinity Lutheran School in Freistatt Third Place Kimber Penland, a student at South Holt R-1 in Oregon These winning entries garnered prizes for the individual students and their classmates In addition the first place entry received a prize for the teacher and \$200 cash donation to the school The MDAF staff is evaluating its CDHM program and is considering a different project next year centering around the great new dental DVD Crooked The DVD is a fun, lighthearted tale of Samantha, a 12-year-old girl obsessed with losing her last (crooked) baby tooth in order to obtain the perfect smile and to win the heart of the new boy at school This 17-minute entertaining and educational film teaches the importance of dental health to young audiences, helping to develop the important habit at an early age The makers of Crooked have developed curriculum for teachers to use along with the DVD to teach their students about the importance of oral health in a new and innovative way The MDAF staff has been in contact with the film creators to discuss collaborating on a project Stay tuned for more information! In the meantime, if you would like to purchase a copy of Crooked for your office, it is available on the MDAs website at www.modental.org/store The Crooked DVD is specially-designed to play continuously with easy-to-follow menu screens and a continuous play option that will keep you from having to push start over and over again The MDAF negotiated a special rate for the DVD so that it could be used as both an educational tool by our members as well as a fundraising venture for the Foundation All profits from Crooked DVD sales will go to the MDA Foundation to support children's dental health education projects OTHER PROGRAM SERVICES 5 Supply & Brochure Donations The MDA Foundation continues to support various projects and programs by donating oral health supplies and education brochures The MDAF attempts to honor all requests for donations but places special emphasis on programs for low income or underserved groups that may not have access to supplies and brochures through other means
