We provided over 4000 mentoring physical activity opportunities to hundreds of at-risk youth in the Washington, DC area. In addition to these events, we organized community-wide health festivals providing info and activities for families to learn healthy habits. And conducted may outdoor safety sessions, either bicycling or walking in nature that allowed youth and adults to learn safe practices while also gathering tools and experiences to be active in their community. Through our varied youth programs - nature bicycle rides, festivals, camps, classes, camping trips, safety skills and encouragement of kids to walk/bike more to/from school, we have mentored hundreds of at-risk youth how to overcome challenges and empower them to carry their success into their daily lives. Through our 150 events in 2011, kids, families and communities were taught the importance of being active and healthy.
