Part V Supplemental Information

Complete this part to provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Part I, Line 2 - Grantmakers Explanation For Monitoring Use of Funds Outside US

Organization has frequent telephone and e-mail contact to follow up on grant uses and grant needs. Individuals from the United States frequently visit the area to work on projects and assess need. Recipient organization provides periodic financial reports to substantiate the funds are expended for the intended purpose.

Part I, Line 3f - Investments & Expenditures Per Region

Expenditures in the region consist of orphanage support, school tuitions for K-12 and scholarships for college age young people, and construction on various projects from continued repair due to hurricane relief, expansion of the orphanage facilities, well drilling, and agricultural planting.

January 1, 2013

Dear fellow servants of Christ,

Where did the year go? This was supposed to be a Christmas letter but as you can see has turned into a New Year's letter. What a blessed year we have had at Renew the Hope! Because of the generosity of all of you and God's most precious grace, the ministry in Puerto Cabezas has really grown. We are so grateful that words cannot describe what your continued support and prayers has meant to us!

December saw the completion of Phase I of the new orphanage facility and the children were able to move in right before Christmas. The garden and work in Betania has continued to grow and flourish. What a blessing to the people in that village. The church building has been completed and in January small group studies will begin to meet there. Clean water is becoming a reality is some areas. Surgeries and dental work have been performed to bless the people in Port and the surrounding areas. A feeding center has been started to feed the children in the poorest areas of the city. Lives are being touched with the love of God through you and the faithful servants in Puerto Cabezas.

So what does 2013 hold? Pastor Earl and I had a chat just a couple of weeks ago so we could set goals together. There is a vision to begin raising pigs, first in Betania and then in other communities. There is a need for more financial support for the feeding center and a desire to start a second one out by the [illegible] offer better quality in the educational experience. This means better equipment, fixing the leaks in the roof, overhead projection, blackboards, and better teaching salaries. There is growth potential of the [illegible] ministry to [illegible] to help oversee the orphanage. Phase II of the orphanage is the auditorium, kitchen and storage that can keep supplies more securely. All of these projects are wonderful things that there is vision to fulfill, but the most important thing that Pastor shared with me is the desire to be more intentional in building Jesus into the lives of the young people and children that God has entrusted to them both in the orphanage and the schools. Won't you continue to partner with us to see what God is going to do in this new and glorious year of 2013?

We at Renew the Hope are also looking to branch out into new areas. We are praying [illegible] opportunity in Haiti that will help with the ministry to street boys to get them off the [illegible] God loving home environment. We have a great partner there and are seeking the Lord [illegible] Would you pray with us over this as well?

We also are in need of new sponsors just to meet the day to day needs of the orphanage so if you kno[illegible] anyone who might be interested please feel free to pass this along.

Blessings to you!

Nancy Funk for the Board at Renew the Hope
