Identifier	Return Reference	Explanation
fin 48 disclosure		The Foundation has applied for and received a determination letter from the Internal Revenue Service (IRS) to be treated as a tax exempt entity pursuant to Section 501(c)(3) of the Internal Revenue Code and did not have any unrelated business income for the year ended December 31, 2011. Due to its tax exempt status, the Foundation is not subject to income taxes. The Foundation is required to file and does file tax returns with the IRS and other taxing authorities. None of the subsidiary entities had unrelated business income for the year ended December 31, 2011. Accordingly, these financial statements do not reflect a provision for income taxes. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain tax position that more likely than not would be sustained upon examination by a government authority. Management has analyzed the tax positions taken by the Foundation and has concluded that as of December 31, 2011, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Foundation is subject to routine audit by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2008.
