Part V, Line 4 - Intended Uses for Endowment Funds

The Organization's investment policy states the following Endowment objectives:

A. To protect the donated assets and preserve their purchasing power over time

B. To provide a reasonable rate of return to support Fonkoze USA

Part XIV Supplemental Information (continued)

C.To achieve maximum prudent total return without regard to whether that return consists of interest and dividends or realized and unrealized capital gain

D.The Investment Committee may honor requests from endowment donors to set aside the above objectives in order to invest their gift(s) directly in the work of Fonkoze Haiti

The policy further states that endowment income will be transferred annually to the operations account of Fonkoze USA, initially. When endowment income reaches \$10,000 or more a year, it will be transferred to the operations account quarterly. Endowment income includes actual income (interest and dividends) and attributed income (5% of the market value of investable assets in the endowment account on January 1 of each year). The Organization has not complied with this section of the policy as no transfers have ever been made from the endowment account to the operations account.

The Organization balances investment risk by diversifying among bonds and stocks, large and small cap, domestic and foreign, with no-load mutual funds purchased through a mutual fund supermarket, Charles Schwab.
