**Part III, 2011 Achievements: During 2011 The Belt Volunteer Ambulance Service provided emergency medical services to patients both in our service area and surrounding Counties as a mutual aid provider. All services were provided by volunteer EMT'S who received no compensation for their services. Members received additional training and taught others advanced skills necessary to receive license endorsements. With the need for a secure facility, the Service began construction of a new building which will enable volunteers to have access to a quality training environment and will aid both in recruitment of new members and retention of existing volunteers. Construction will be completed in mid 2012.**
