	Part III, Line 4	Art collection on display to promote involvement in and support for art education
Description of Uncertain Tax Positions Under FIN 48	Part X	Part X, line 2 The Organization evaluates any income tax benefits generated from uncertain tax positions using a more-likely-than-not of being sustained upon examination analysis. If a tax benefit is not more-likely-than-not of being sustained upon examination, the Organization records a liability for the recognized income tax benefit. The Organization recognizes accrued interest associated with uncertain tax positions as part of interest expense and penalties associated with uncertain tax positions as part of other expenses. For the years ended December 31, 2011 and 2010, management believes there are no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of financial position as of December 31, 2011 and 2010 or the statements of activities for the years then ended. Further, all years subsequent to 2008 remain subject to examination by the IRS.
		Part V, line 4 The accumulation of funds allows the Foundation to follow its mission to designate resources for the academic, artistic, athletic, teaching, research and public service programs of the University.
