Realized gains and losses

Estimated 2011 gains and losses for transactions with trade dates through 12/30/11 have been incorporated into this statement. Please note that gain or loss recognized on the sale or redemption of certain structured products, like Contingent Debt Securities, may be ordinary, and not capital, gain or loss. Please check with your tax advisor. To calculate gains and losses, we liquidate the oldest security lot first. This is known as the first-in, first-out or FIFO accounting method. We use this method unless you specified which tax lot to close when you placed your order. This is known as a versus purchase or VSP order.
