World Golf Foundation, Inc. (the "Foundation"), which is supported by major international golf organizations and professional tours, oversees the World Golf Hall of Fame & MUSEUM, The First Tee, GOLF 20/20 and other nonprofit components. The Foundation has a dual mission. The first is to honor the history of golf and the achievements of its greatest individuals (both players and contributors to the game) and to create entertaining and educational exhibits for the enjoyment of the general public. Secondly, the Foundation has undertaken several charitable initiatives including The First Tee and GOLF 20/20. These elements of the Foundation work together to promote growth of the game of golf among adults, youth and minorities as well as in the golf industry. The Foundation is supported by major golf organizations and professional tours throughout the world including American Junior Golf Association American Society of Golf Course Architects Asian Tour Champions Tour Champions Tour Tournament Association Club Managers Association of America Golf Course Builders Association of America Golf Course Superintendents Association of America Golf Writers Association of America International Association of Golf Administrators Japan Golf Tour Organization Ladies Professional Golf Association LPGA Tournament Owners Association National Golf Course Owners Association National Golf Foundation PGA of America PGA TOUR The PGA European Tour THE MASTERS TOURNAMENT The R&A Royal Canadian Golf Association Southern Africa PGA Tour United States Golf Association Web.com Tour World Golf Hall of Fame & MUSEUM ("WGHOF") opened its museum facility ("Museum") in May 1998 providing visitors an opportunity to learn about the rich history, values and deeply rooted traditions of the game through exhibitry and the Walk of Champions. The World Golf Hall of Fame is housed in the Museum. The World Golf Hall of Fame IMAX Theater provides educational opportunities to area school children and the general public. The WGHOF Museum and facility encompasses approximately 75,000 square feet and holds more than 70 separate exhibits that combine historical artifacts with the latest interactive technology. The artifacts on display are representative of the history of golf and many of the artifacts are on loan to the Foundation from various individuals and golf organizations for use in the Museum. The WGHOF enshrines the greatest players and contributors to the game of golf. Three induction avenues have been created for professional golfers: the PGA TOUR Hall of Fame, the LPGA Hall of Fame, and an International Ballot. A Lifetime Achievement Category also has been created to honor any amateur or other individual deserving of recognition through his or her contribution to the game. Another avenue is the Veterans Category which considers any golf professional who played the bulk of his or her career 30 years prior to the date of induction into the Hall of Fame. Selected players will be enshrined in a special ceremony. The Foundation has undertaken a focused charitable youth development activity entitled "The First Tee." The First Tee teaches life skills through golf education and provides access for youth, regardless of financial status, and makes golf physically accessible, specifically, through the construction of golf facilities in rural and urban areas, the creation of school programming to introduce the game to students and the introduction of the game and its values to individuals who would otherwise not have had the opportunity to truly participate in the game. The First Tee is designed to promote scholastic achievement, community service and the positive values intrinsic to golf. The First Tee program locations target young people up to the age of 18 who have not had exposure to the game. Using golf's unique ability to teach honor, integrity and sportsmanship, The First Tee has developed a National certification program. The strategy for providing increased access involves the development of facilities and affiliate relationships as well as the development of a broad school-based golf training program (the "National School Program" - NSP) which is offered through schools' physical education curriculum. The First Tee serves as a catalyst for local Chapter program development, forging relationships between the public and private sectors and promoting quality and consistency in instruction. In an effort to capitalize on the momentum and the spirit of collaboration generated by the success of The First Tee program, the world's major golf organizations have organized another joint project, GOLF 20/20. The fundamental principle behind GOLF 20/20 is that golf benefits society and that accelerating the growth of the game will not only expand the game's accessibility but also improve the quality of life for those who are introduced to its positive values. The mission of GOLF 20/20 is to bring the golf industry together to address the future of golf in a strategic manner, with an emphasis on accelerating growth over the next twenty years and creating new avenues of access into the game. This will be achieved by setting participant growth and access goals, by identifying the initiatives that will achieve those goals and by establishing administrative and funding sources for those initiatives. The Foundation also focuses on increasing the involvement of minorities and other nontraditional populations in the game as well as the business of golf. The focus is to impact positively the golf world by developing and supporting programs that create and promote opportunities for diverse populations in all aspects of golf.
