	Form 990, Part VI, Section B, line 11	Form 990 was prepared by an independent CPA firm and was reviewed by the outsourced CFO, business manager, and the board of directors before it was filed
	Form 990, Part VI, Section B, line 12c	Each year in January, all officers, directors, and management personnel are required to complete a questionnaire and provide details of any answers requiring further explanation. Additionally, all officers, directors, and management personnel must sign a certification stating that they have carefully read the policy and will promptly and fully disclose the circumstances of any potential conflict of interest to the proper superior should one occur in the future. It is the ongoing responsibility of trustees, officers, and management employees to scrutinize their transactions with outside business interests and relationships for potential conflicts and to immediately make such disclosures. Disclosures should be made to the president (or if he or she is the one with the conflict, then to the vice-president of the board), who shall bring these matters to the attention of the board. The board shall then determine whether a conflict exists and is material, and in the presence of an existing material conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable as to the organization. The decisions on these matters are the sole discretion of the board. Additionally, board members will refrain from voting on any issue that they feel may cause a potential conflict.
	Form 990, Part VI, Section B, line 15	The president of the board or a board compensation committee meets annually to discuss compensation for the coming year for the center director and other employees. Prior to a final vote on compensation, the board will collect information on amounts paid by comparable organizations for comparable services, and propose such amount is acceptable. Otherwise, the board will consider collecting additional information or obtaining an independent, professional compensation opinion. The board vote is recorded in the meeting minutes within 60 days after the meeting, including the amount authorized and references to the comparison information. At least every six months, the president of the board will review the compensation package to assure that it is being followed and remains adequate.
