## **OUR MISSION:**

The mission of Florida's Hometown USA Program is to make a positive difference in the lives of children and youth of Florida, primarily through a professionally supported volunteer program and to assist them in achieving their highest potential as they grow to become confident and caring individuals who show a commitment to volunteer work, leadership and standards of excellence.

Florida's Hometown USA Program is an educational endeavor to encourage young people (elementary through high school) to become involved in volunteering. The volunteer work that we organize for local students is with children, youth and the elderly offering support to the needy, abused and neglected.

## **OUR PURPOSE:**

The purpose of Florida's Hometown USA Program is to educate the youth of Florida on the values of volunteer work and inspire them to make a difference in the lives of their neighbors through volunteer commitment. Our desire is to develop and nurture friendships as well as combine our interest and talents in a common goal that will serve our community. Florida's Hometown USA stresses the importance of youth volunteers in each hometown of Florida. The program encourages and works with students who have a desire to volunteer and to promote pride in their community by active involvement.

## **OUR VISION:**

The vision of Florida's Hometown USA Program is to involve more students of Florida in the area of volunteering and to be recognized nationally as a leader in caring for children and youth and servicing people. In Florida's Hometown USA we develop, evaluate and disseminate programs that foster young people's ethical, social and intellectual development. While nurturing the importance of volunteer work, we also strive to deepen the commitment of values such as kindness, helpfulness, personal responsibility and respect for others – qualities that we believe are essential to leading productive lives in our society.

## **Program Success:**

In our program, we stress to the youth to take time to visit and give of their time to make someone else's day a little brighter. The students have shown a compassionate and caring attitude by placing a high value on helping other people. They have also shown a service to others by giving more than one hour a week to helping others.

In Florida's Hometown USA Program we develop, evaluate and disseminate programs that foster young people's ethical, social and intellectual development. While nurturing the importance of volunteer work, we also strive to deepen the commitment of values such as kindness, helpfulness, personal responsibility and respect for others – qualities that we believe are essential to leading productive lives in our society.

Many of the students that have been a part of this program have continued to volunteer for years because of what was instilled in them at an early age. Florida's Hometown USA Program has received recognition for the positive impact and outcomes it has achieved in local communities. Additionally, several of our organization's youth volunteers have been recognized for extraordinary personal dedication to our shared mission.

As a result, we ensure our students enjoy:

- A positive, hopeful vision of the future
- A clear, focused mission of community service and personal achievement
- A dedicated volunteer staff who value youth and are dedicated to their success
- A clear set of goals and expectations for participation and volunteer work
- An opportunity to be part of a collective force for community improvement or enrichment
- A range of activities that encourage the development of leadership skills, personal responsibility and empathy for in-need or isolated individuals.

**Evaluation:** For the past 25 years, the students in our organization have shown

- Compassion by Caring and Service to others,
- Connecting with Adults by being a volunteer to the elderly and because the Communities (and the adults in our program) value youth and the service they are doing,
- Constructive Use of Free Time by spending many hours a week in the volunteer activities
- Commitment to Education

The number of student volunteers and new facilities that we can reach will measure the effectiveness of our project. The vision of Florida's Hometown USA Program is to involve more students in the area of volunteering and to be recognized as a leader in caring for children and youth and servicing people. Each week, we receive calls from facilities asking if we can bring volunteers. These facilities need more volunteers, but we do not have enough people to serve all the needs that come to us.

Florida's Hometown USA Program: Our activities for 2011 continued with previously established programs including: Adopt a Grandparent Programs in nursing homes, visits to and giving gifts to Children's Hospitals, Veteran's Hospital, shelters and other facilities. A three (3) page listing of our volunteer activities is attached. Our youth volunteers have been recognized for extraordinary personal dedication to our shared mission. We are partnered with 32 facilities where we have volunteer programs set up. Florida's Hometown USA Program has received recognition for the positive impact and outcomes it has achieved in local communities. Over the years, we have worked with over 1,000 students who gave of their time to help others. With the volunteer students, the outreach benefited 5,000 people in 2011. The volunteers spend all year collecting donations, organizing fundraisers, scheduling the volunteer hours at each facility and have never received any compensation for their work. In our program, we stress to the youth to take time to visit and give of their time to make someone else's day a little brighter. The students have shown a compassionate and caring attitude by placing a high value on helping other people. They have shown a service to others by giving hours to helping others. In Florida's Hometown USA Program we develop, evaluate and disseminate programs that foster young people's ethical, social and intellectual development.

The Miss Leesburg Scholarship Program is committed to stressing the importance of education. The purpose of this youth program is to select local girls to become more involved in their hometown and to award scholarships to these students. This educational youth program has proven to be a great success – thanks to the community support received. The overall goal is to provide scholarships each year to young ladies of Leesburg. The scholarship committee works throughout the year to raise funds for this purpose. The City of Leesburg, the Leesburg Area Chamber of Commerce and the Lake County School Board acknowledge the Miss Leesburg Scholarship Program as a vital part of continuing education. Over \$104,000 has been awarded to local students. All scholarships are paid directly to the college of choice and dispersed by a local bank. In 2011, 140 young ladies took part in this program and with the interest of their families, neighbors, volunteer staff and contributors over 2,000 people were involved.

Scholarships have been awarded totaling \$104,000. The recipients are selected by a panel of judges with a focus on grades, hometown involvement, volunteer work and financial need for college.

Florida's Hometown USA Program, Inc. is a non-profit corporation formed to involve more students in the area of volunteering and to be recognized as a leader in caring for children and youth and servicing people. Our goal is to educate the youth of Florida on the values of volunteer work and inspire them to make a difference in the lives of their neighbors through volunteer commitment. We encourage and work with students who have a desire to volunteer and to promote pride in their community by active involvement. We stress to the youth to take time to visit and give of their time to make someone else's day a little brighter. The focus of our volunteer work is with children, youth and the elderly offering support to those who have been abused or neglected.

Students commit to giving of their free time in this community organization as a volunteer service to help others. Another outreach we promote is to connect with adults by volunteering with the elderly. This area promotes the value of the youth as they spend time with the elderly. Often, the entire family of the student gets involved and can be a big part of an elderly person's life.

Students in this program are elementary through college age. If children are involved in volunteering at an early age and are taught to show love and concern for others, it will stay with them forever. Our program meets the community needs by providing food, clothes, personal care items, and assistance where needed. By doing this we are strengthening our educational program as we stress to the children and youth the importance of helping others.

Our organization is partnered with 32 facilities throughout Florida to work with needy children, teens, and the elderly. The visits to the elderly help brighten the day of many lonely people. Some have no family or visitors and just a smile and a hug are all they want. The entertainment for the elderly is always enjoyed and they love to sing along. Some of the residents at the nursing homes are happy just to see and talk with a young person. Giving of the gifts to children's hospitals teach the students to share and have compassion for others less fortunate.

Throughout the year, we have fundraisers to raise money to buy the things needed at the facilities we are partnered with. We supply personal care items – shampoo, soap, deodorant, shaving cream, toothpaste, etc. to the shelters, clothes to the shelters and to the needy. We also take toys to the children's shelters, day cares, Head Start programs, and foster homes. We also receive donations that we distribute. Other times, we work at shelters painting, pulling weeds, and making sandwiches. Another project is an Adopt a Grandparent program at local nursing homes. In this project we make sure the elderly at the nursing homes are remembered on all holidays. At each holiday, we have a party and supply refreshments, gifts, crafts, and music for the residents.

Florida's Hometown USA Program is comprised entirely of a volunteer-based Board, Program Director and staff. All of these adults share a commitment to ensuring the youth are appropriately involved in supervised and pre-approved activities.

**STATEMENT #2**  
**PAGE 5 OF 6**

Florida's Hometown USA Program, Inc. is a non-profit educational youth program, organized to make a positive difference in the lives of children and youth, primarily through a professionally supported volunteer program. We assist students in achieving their highest potential as they grow to become confident and caring individuals who show a commitment to volunteer work, leadership and standards of excellence.

**OVERVIEW OF VOLUNTEER SERVICE:** Florida's Hometown USA Program is a non-profit educational youth organization that reaches beyond the borders of its own hometown of Fruitland Park, Florida to nurture and inspire burgeoning volunteer-spirit within youth across Florida. Twenty five years ago, a local educator had a vision and developed a grassroots, community youth program that focused on linking youth with volunteer activities. Today that vision has grown into a broad model that continues to make a difference in the lives of children and youth of Florida, primarily through a professionally supported volunteer program aimed at assisting students to achieve their highest potential.

Florida's Hometown USA Program has a structured schedule to offer students a volunteer opportunity with planned activities. Students commit to giving of their free time in this community organization as a volunteer service to help others. Another outreach we promote is to connect with adults by volunteering with the elderly and this is a way to partner with adults. This area promotes the value of the youth as they spend time with the elderly. Often, the entire family of the student gets involved and can be a big part of an elderly person's life.

Our yearly goal is to take the youth of our organization to 32 facilities throughout Florida to work with needy children, teens, and the elderly. In the summer, we assist in all areas of promoting education. Our time frame is ongoing (January – December) and our student summer program is May-August.

The purpose of Florida's Hometown USA Program is to educate the youth of our area on the values of volunteer work and inspire them to make a difference in the lives of their neighbors through volunteer commitment. The focus of our volunteer work is with children, youth and the elderly offering support to those who have been abused or neglected.

Florida's Hometown USA Program is comprised entirely of a volunteer-based Board, Program Director and staff. We have no paid positions. All of these adults share a commitment to ensuring the youth are appropriately involved in supervised and pre-approved activities.

The benefit of Florida's Hometown USA Program is to instill in young people to give back to their community. The students in this program are elementary through high school. If children are involved in volunteering at an early age and are taught to show love and concern for others, it will stay with them forever. The visits to the elderly help brighten the day of many lonely people. Some have no family or visitors and just a smile and a hug are all they want. The entertainment for the elderly is always enjoyed and they love to sing along. Some of the residents at the nursing homes are happy just to see and talk with a young person. Giving of the gifts to the children's hospitals teach the students to share and have compassion for others less fortunate.

The focus of our volunteer work is with children, youth and the elderly. The students visit, entertain, and take gifts to Arnold Palmer Children's Hospital and The House of Hope (a home for troubled teenagers), Shriner Children's Hospital, All Children's Hospital, Head Start Programs, Give Kids the World, Children's Shelters, Senior Citizens Groups at churches, Ronald McDonald House, the Wolfson Children's Hospital, the Daniel residential treatment center for children, the PACE Center for girls, the Taylor Nursing Home, and Memorial Hospital in Jacksonville. A special project each year at Christmas is collecting gifts for the Santa program at the hospitals. We also visit and entertain at Terra Vista Nursing Home, Westminster Towers, the Sterling House Retirement Center, the Taylor Home and the Children's Home Society, and the Veteran's Hospital. Florida's Hometown USA has been involved with some of the above facilities for 23 years. We collect food, toys, etc. for baskets for needy families at local schools and collect food for the Food Bank at the Share Your Christmas Food Drive. We have a Diaper Drive and collect diapers and clothes for babies in needy families. In July, we have a Back to School Drive and collect and distribute school supplies for families in shelters and referred through local schools. This is just some of the many volunteer projects we are involved with each year.

We have organized an Adopt a Grandparent Program in each hometown at a local nursing home. Each student is assigned an elderly person to visit monthly who has no family nearby or needs special attention.
