## Schedule of Realized Gains and Losses

The detailed gain and loss information in this section is provided as a service to our clients. This information may not be furnished to the IRS in its entirety. Information reported to the IRS is shown on Form 1099-B.

This section includes a summary of the short- or long-term gain and loss from the sale of selected securities in this account. "Short-term" refers to securities held for one year or less and "long-term" refers to securities held for more than one year. Cost basis information may reflect a change in the value of certain fixed income and other securities that return or amortize principal over time. In the case of bonds purchased at a premium, cost basis information may be amortized. Cost basis information may also reflect accretion for zero coupon and OID bonds. Please refer to IRS Publications 550 and 1212 for more information and consult your tax advisor, as RBC does not provide tax advice.
