The gain and loss information is provided for informational purposes only, is not a substitute 1099 form (or any other appropriate tax form), and should not be used for tax preparation. Unrealized gain and loss values are estimates and should be independently verified. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future returns. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for securities' capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice Select pricing, the commissions paid on your eligible equity and option purchases and sales are applied to the Total Cost on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions. We are not responsible for any gain and loss information provided by you or another financial institution, you are responsible for ensuring the accuracy of such information. Whether provided by you, another financial institution or MSSB, it is your responsibility to ensure the accuracy of all of the Estimated Gain and Loss information. For clients wishing to make versus purchase sales that information needs to be conveyed at the time of the sale. Unless you tell us otherwise, we use first in first out (FIFO) accounting.

The gain and loss information is provided for informational purposes only, is not a substitute 1099 form (or any other appropriate tax form), and should not be used for tax preparation. Unrealized gain and loss values are estimates and should be independently verified. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future returns. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for securities' capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice Select pricing, the commissions paid on your eligible equity and option purchases and sales are applied to the Total Cost on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions. We are not responsible for any gain and loss information.

The gain and loss information is provided for informational purposes only, is not a substitute 1099 form (or any other appropriate tax form), and should not be used for tax preparation. Unrealized gain and loss values are estimates and should be independently verified. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future returns. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for securities' capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice Select pricing, the commissions paid on your eligible equity and option purchases and sales are applied to the Total Cost on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions.

The gain and loss information is provided for informational purposes only, is not a substitute 1099 form (or any other appropriate tax form), and should not be used for tax preparation. Unrealized gain and loss values are estimates and should be independently verified. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future returns. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for securities' capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice Select pricing, the commissions paid on your eligible equity and option purchases and sales are applied to the Total Cost on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price.

Unrealized gain and loss values are estimates and should be independently verified. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future returns. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for securities' capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice Select pricing, the commissions paid on your eligible equity and option purchases and sales are applied to the Total Cost on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions. We are not responsible for any gain and loss information provided by you or another financial institution, you are responsible for ensuring the accuracy of such information. Whether provided by you, another financial institution or MSSB, it is your responsibility to ensure the accuracy of all of the Estimated Gain and Loss information. For clients wishing to make versus purchase sales that information needs to be conveyed at the time of the sale. Unless you tell us otherwise, we use first in first out (FIFO) accounting.
