Accordingly, no federal income tax is recorded in the accompanying financial statements. Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740-10, Accounting for Income Taxes, would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statements of activities and changes in net assets or accrued in the statements of financial position. Federal and state tax returns of the entity are generally open to examination by the relevant taxing authorities for a period of three years from the date the returns are filed.
