## GRANT GUIDELINES

The Foundation encourages applications on behalf of projects which will improve the quality of teaching and learning at all levels.

Special consideration will be given to elementary and secondary educational programs which emphasize academic skills, employment

skills, and/or enhance opportunities for further education. In order to create the maximum possible multiplier effect for our limited funds, we will give priority to such factors as innovation, the testing of new ideas and the potential for replication. We embrace successful

programs needing funds and we encourage and help programs with potential for success.

## DEADLINES

Because our grant review process is comprehensive, and because we wish to afford your application as much of our time and attention as possible, our deadlines for final proposals are set approximately three months prior to Board of Trustees meetings, as follows:
