Identifier	Return Reference	Explanation
Part I, Line 33, Revenues Not Reported		As part of our mission and day to day operation, the collection of ephemera for each artists' archive consists of photographs, letters, written material, video biographies, publications and historic records unique to each individual. We document 8 to 10 artists per year. Each file may contain both original material and/or copies. The value is therefore indeterminate without an certified appraisal. Such action would be a huge financial burden for a small archive such as ours.
