Description of Achievements for 2011

Quantitatively in 2011, ROP's programs continued to experience increase and decrease. The biggest increases were, of course, in two new programs both of which began in January 2011.

Youth Ministries initiated an after-school tutoring program. We view this as among our most strategic efforts because academic success is critical to the future of our children. If we lose them academically, chances are high we lose them for life. Consequently, we hope to see this program become a very significant part of ROP Youth Ministries. In 2011, we saw 13 different tutors working with 23 different kids. On average, 15 students received tutoring from 7 tutors each month.

We call Resource Ministries' new program our "Street Ministry". Every Monday evening, our Street Ministry team serves a hot meal to men and women living in and around a couple near-by motels. The clientele at these motels includes many ex-offenders recently released from prison along with prostitutes, addicts and others who cannot pass a credit check or afford the up-front financial requirements of renting an apartment. In addition to a hot meal, our team provides participants with warm clothing, personal hygiene items and a listening and caring ear. Although the participants are generally quite transient, we have been glad to see many of our Street Ministry clients take advantage of other ROP programs and attend Restoration Worship Center (RWC) on Sundays.

In 2011, we also saw significant growth in several existing programs. Perhaps the most growth was seen in our Middle School group mentoring program (Ignite) which, in its first full year of operation, saw participation grow to more than 20 kids each week from seven or eight at the end of 2010. At this point, our elementary (Spark) and middle school programs are at maximum capacity with 23- 25 kids each of the three nights they are open each week. Only our high school program (Impact) currently has room for more kids. Average participation in Impact fell to seven to eight per week in 2011 following the departure of the program director. Volunteers filled this role until a new program director was brought on board in September. We anticipate growth in this program in 2012 as the new director builds relationships with our kids and undertakes more outreach initiatives.

Our GED and Counseling programs (Resource Ministries) also experienced growth in 2011. The average number of students receiving GED tutoring each month increased to 30 in 2011 from 19 in 2010 and just nine in 2009. The number of students passing all five tests required to receive their GED also increased from two in 2010 to six in 2011. In the counseling program, 25 different clients received 680 hours of counseling compared to 497 hours in 2010.

Of course, not all programs experienced growth. Our ESL program began with a bang in September 2010 with 68 students. Since then, ESL attendance has declined, but stabilized in the low 40s. Our 12-step addiction recovery program also took most of the year off as the leader of that program, Lucy Bruser, was on extended medical leave. Happily, Lucy has very recently returned to work, and we are looking forward to our 12-step program regaining momentum in 2012.

Our food bank numbers also came down from 4500 households served in 2010 to 3700 households served 2011. However, success is not always measured quantitatively. In last year's annual report, we said that "ROP is seeking to

We started both the after school tutoring program and the Street Ministry to the homeless and near-homeless in 2011. Descriptions of these two new programs are as follows:
