Our purpose is the propagation and dissemination of the gospel of Jesus Christ throughout the world by the promotion and support of evangelical endeavors and missionary activities as well as the strengthening of individual Christian's personal relationship with God. These endeavors include Bible Conferences, Bible Studies, Church Services, Training programs, and Benevolence work.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 83467 including grants of \$ 0) (Revenue \$ 79175)

We helped 33 different churches plan and facilitate 37 different Bible conferences. 971 different people attended the conferences. During these conferences we provide devotionals, facilities, meals, bible teaching. Groups that attended include women's groups, men's groups, youth groups, church leadership, family camps, as well as mission groups.

4b (Code:) (Expenses \$ 42093 including grants of \$ 0) (Revenue \$ See below)

We have a interdenominational Sunday Evening Service each week along with several Bible studies each week that are held in the homes of various individuals. Our Sunday Evening services average around 30 people with about 50 different people regularly attending. We also have mid week bible studies for men and women held in various homes. We received \$33,996 in general offerings over the year which primarily came from our offerings received in our Sunday Evening Services along with revenue from some miscellaneous donors. Instructions say not to include these amounts under Revenue since they were contributions.

4c (Code:) (Expenses \$ 38292 including grants of \$ 0) (Revenue \$ See below)

We are involved with several ministries who are likeminded and are preaching the gospel of Christ in South Asia and in particular Nepal. Part of our outreach in Nepal includes supporting children in orphanages, a rescue and training center for young women who are destitute and uneducated. We support 10 young women at a time for a 4 month period and help them by providing food, housing and medical care along with training them to be seamstresses. Total women trained in 2011 totalled 30. We have now taken 80 women through the program and most have become successful in having their own business and many have come to Christ. In 2011 we recieved \$271,650 in offerings to support these various ministries with the majority for our work in Nepal. Donations are large this year due to receiving a large one time donation of \$237,000 from an estate in December of 2011. We also minister to the indigent in our community by giving direct cash assistant to single moms, elderly, and families who are struggling.

Part V Supplemental Information

Complete this part to provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method, amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Part I Line 1- Monitoring of funds - Our primary method of monitoring the funds is through field trips. One or two times a year people from our ministry visit the organizations that we support as well the individuals which we help financially. These visits usually include all the individuals and organizations that we help support. Field visits include the graduation ceremonies of the destitute women that have been taught to sew in the four month training course along with attending the baptisms of those who become followers of Christ. These visits are usually 3 weeks long and involve the visiting of past graduates from the training school. We also receive annual financials from the organizations and the verification of them receiving funds each month.

Part II - Grants and Other Assistance - Line 1(d) - Cash Method - This organization takes 10 destitute, uneducated young women from villages and trains them to be seamstresses over a period of 4 months. This training includes room and board, medical help, classroom instruction, Bible lessons, basic math and some business skills. They then return to their villages and support themselves through tailoring work. The second organization that we send funds too is an orphanage. We paid for school costs and school uniforms for eight of the children that are in their home.

Part III - Grants and Other Assistance to Individuals - Line 1(d) - Cash Method - We provide tuition for 4 young adults who were once in an orphanage and are now attending university. We also help the family who took in these four children after the orphanage they had been in was closed and we also send a small amount of money to a family which is extremely very poor.

Part I, II, III - Selection of Organizations and Individuals We Support

The organizations which we send money directly too have leadership which are followers of Christ and agree with our purpose, mission and doctrinal statement. Someone from our ministry must have also personally met these individuals while being in Nepal before we ever consider supporting them. These leaders did not seek out our financial support but rather were presented to the board from various individuals from our ministry who have visited Nepal on a regular basis and could testify that they were dedicated followers of Christ. The individual orphans which we pay tuition for are also known personally as well as the family which took them in after the orphanage they were in, closed. The parents are committed followers of Christ and the father pastors part time. Our emphasis is finding individuals who are committed followers of Christ rather than finding certain kinds of organizations. This follows our main purpose of disseminating the gospel of Christ through various avenues.

Part I Line 1 & 2 - Monitoring of funds - All individuals receiving direct cash assistance are indigent and attend our Sunday Evening Church Services and are approved by the governing board prior

to receiving any direct cash assistance. These approvals are then recorded in the special board minute meetings. Moneys given are for specific purposes and paid directly for that purpose in most cases. Governing board members along with other people in the ministry are involved personally with the individuals on a weekly basis and are completely aware of each individuals financial situation which is our primary method of monitoring. Direct bill paying is by itself a one time monitored event.

Part III Line 1- Direct bill paying is where the indigent individual has certain bills which need to be paid in order for them to financially survive. Money is not given directly to the individual but paid directly to whomever the bill is owed to. Both recipients were one time events in the year 2011.

Part III Line 2 - Direct Cash Assistance to Indigent - This money is paid directly to the individual and designated as partial payment of monthly rent.
