Part V Supplemental Information

Complete this part to provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs expenditures per region), Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Need is determined by a site visit. Compliance with expenditure of funds is monitored both by required written documentation and additional site visits, depending on the significance of the grant.

The accounting method used is the cash basis. The recipients of our grants are generally ill-equipped to provide sophisticated accounting of expenditures. Also, the amounts given to any one beneficiary are usually quite small.
