Part III. proficiency of management of risk, insurance and benefits in government and other public entities through education and

networking, to support the mission and goals of PRIMA, and to act in any other manner that will further the best interests of Oregon's public

entities including federal, state, county, municipal and tribal governemnt, goovernmental agencies, itnergovernmental risk pools, schools

and other special districts in their risk management activities

Every year we have a one day Spring conference and a three day Fall conference. The board of directors meets monthly to plan both

conferences.

The Three Day Fall conference is our biggest event and we get sponsors to cover costs in addition to our registration fees. We alternate our

locations to make it available to more of our members We switch between Central Oregon and the coast. We try to bring in some national

speakers which is why we use the sponsorships to cover those costs.

The One Day Spring conference is in Silverton, OR and we get free speakers, so the registration fee is to pay for the facility and the food

The purpose of both conferences is to educate public risk managers with the new safety and risk ideas, so they can take them back to their

entities
