Part X	Part X FIN48 Footnote	The Center has been recognized by the Internal Revenue Service as a not-for-profit corporation as described in 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from federal and state income taxes on related income pursuant to 501(a) of the IRC and California Revenue and Taxation Code 23701d. The Center adopted guidance on Accounting for Uncertainty in Income Taxes. Under this guidance, the Center utilizes a two-step approach to recognizing and measuring uncertain tax position. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes. The second step is to measure the tax benefit as the largest amount, which is more than 50% likely of being realized upon ultimate settlement. Adoption of such guidance did not have a material effect to the financial statements. As of December 31, 2011 and 2010, there were no uncertain positions. Management believes that the Center is no longer subject to income tax examination for the years prior to 2008.
