Part VI, Line 11b. Describe the process used by the organization to review this Form 990.

Management sends the draft 990 report to the entire board of directors by email at least two weeks in advance of filing, requesting their review and comments. Directors "reply to all" by email, so the whole board and top management can track the discussion and any concerns.

Part VI, Line 12c. Describe how the organization regularly and consistently monitors and enforces compliance with the conflict of interest policy.

At each regular board meeting, the board explicitly reviews any potential conflicts of interest, including requiring each director to report his or her outside organizational involvements. Any relevant conflicts of interest must be approved by the board. Directors sign a conflict of interest statement on a semi-annual basis. In addition, at each regular board meeting the board receives a report of the outside involvements of the organization's staff members

Part VI, Line 15b. Describe the process for determining compensation of CEO and top management including a review and approval by independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision.

On an annual basis the board of directors, without the CEO's participation, conducts a review of comparable organizations' CEO compensation, discusses its findings (again, without the CEO present), determines by board vote the compensation for the CEO for the the coming year, and records their decision in the board meeting minutes.

Part VI, Line 19. Describe how the organization makes its governing documents, conflict of interest policy, and financial statements available to the public.

By board policy, the organization makes such documents available upon request but only as approved at the discretion of the CEO.
