Annually, the President of the Supported Organization uses this information to determine compensation for all employees of the organization, with the exception of his own compensation. The Supported Organization's Executive Committee reviews and recommends the compensation level for the President in the same manner as described above for other employees. During the annual budget process, the President includes the recommended compensation levels for all employees. The Supported Organization's Executive Committee reviews the recommended compensation levels and has the authority to make adjustments as deemed appropriate. Upon approval, the Supported Organization's entire Board of Directors reviews and approves the compensation levels by approval of the annual budget.
