Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

1 Briefly describe the organization's mission:

The ICAK's mission is the advancement of Applied Kinesiology. It does this through uniting practitioners around the world through country or regional chapter affiliation. International meetings are held annually and hosted by different chapters. Annual meetings include a council meeting with the executive and all chapter and committee reps present where the business of the org is covered. There is an educational and science conference and examinations are held certifying teachers to train health professionals in AK.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 20,701 including grants of \$ 13,929) (Revenue \$ 11,157)

In September of 2011, ICAK-France hosted our annual meeting in Bordeaux. At this meeting the IC meeting was held on the first day where the business of the org was discussed with the executive and all chapter and committee reps present. On days, two, three and four a congress was held with speakers from around the world presenting papers on AK related topics. A grant of 13,929 was wired to cover the cost incurred by the host chapter for IC members attending whose fees are paid by this grant. The remaining expenses cover per diems for those IC members attending the meeting and proctoring the exams plus other examination costs. The above revenue is from fees for sitting for examinations and does not include congress receipts as they are received by the hosting chapter. In 2010 and again in 2011 revenue and expenses for the IBE (International Board of Examiners) is included in this filing though the IBE maintains its own bank and paypal accounts submitting a financial report to the IC annually.

4b (Code:) (Expenses \$ 14,505 including grants of \$ 14,500) (Revenue \$)

This grant was paid to the ICAK-USA or US chapter via check to support a research initiative of theirs into a technique in AK called Therapy Location. The goal of this research was to produce empirical evidence to support the practice of this technique by AK practitioners. This represents a small portion of the costs incurred by the US chapter to support this research being headed up by independent researchers.

4c (Code:) (Expenses \$ 5,741 including grants of \$) (Revenue \$ 622)

This amount was the total costs to set up a website, paypal account and logo design for an initiative called, Support AK at supportak.org. This site is part of a program of promotion and fund raising to support research in Applied Kinesiology. Pamphlets available in practitioner's office waiting rooms or at public lectures for example will point those so inclined (likely those who have reaped the benefits from AK based health care) to the above website where they can join Support AK with a small membership fee. Funds raised will provide the much needed funds for research. The supporter will also receive updates on AK research. The revenue of \$622 represents early membership funds into the paypal account via the Support AK website.

4d Other program services (Describe in Schedule O.)
