	Form 990, Part VI, Section B, line 11	Before the 990 is filed, an electronic copy of the entire 990 is provided to each board member. Each board member reviews the entire 990 and provides questions to the Executive Director who then communicates these questions to the Organization's Form 990 preparer. Once all questions are answered, the board members electronically approve the Form 990 and it is submitted to the Internal Revenue Service.
	Form 990, Part VI, Section B, line 12c	Each director, principal officer, and member of a committee with governing board-delegated powers sign a Conflict of Interest statement.
	Form 990, Part VI, Section B, line 15	The Executive Committee of the board is responsible for making a recommendation to the full board regarding compensation. The Finance committee of the board is responsible for making a recommendation about funding of compensation. The executive committee is a permanent committee of the board. Among the responsibilities and authority of the executive committee is that relating to executive compensation. This committee is responsible for the hiring and evaluation of the principal administrator(s) of the organization. The committee reviews compensation practices and programs for principal administrators, provides leadership in this area, and upholds the tax-exempt status of the organization. The executive committee reports its determinations to the full board. The executive committee of the board reviews and approves the compensation policies and programs of principal administrators. The policy of the foundation is to provide a compensation program that reflects the relative size and type of organization of which it is a part and which will accomplish the foundation's mission and tax-exempt purpose without causing any part of the foundation's net earnings to inure to the private benefit of an individual or group of individuals. The committee will accomplish this policy in the following manner: Determine the relevant market data for the principal administrator position it reviews by obtaining reliable and comparable data. Develop a target base pay range built off the median of the market data. Set base salary by considering both market data and each individual's background, experiences, skills, and meritorious contribution. Set salary increase reassessments based on external equity, internal equity, and/or merit.
