Changes in Program Services	Form 990, Part III, line 3	During 2012, the Seminary announced that it would no longer be offering degree programs, effective June 30, 2013. As part of this decision, the Seminary anticipates undetermined costs related to disposing of fixed assets, severance agreements for faculty and staff, and additional consulting legal expenditures relating to the transition. The Seminary intends to continue after June 30, 2013, however, the Board is in the process of determining what form the Seminary will take. Activities related to the restructuring are as follows in fiscal year 2012: In Fiscal year 2012: a) The Seminary closed the bookstore and consigned remaining inventory for sale. Management determined that the net realizable value of the books held on consignment at year-end would be minimal and consequently recognized an impairment loss for \$87,418 which has been included with operating expenses in the statement of activities. b) The Seminary negotiated certain individual severance and other termination benefits and has accrued approximately \$92,000 for these known commitments as of June 30, 2012. These amounts have been accrued as exit activities liabilities and expensed as operating salaries as of June 30, 2012. Subsequent to year-end: a) Termination benefits for remaining faculty and staff were being negotiated. The estimated total termination benefits expected to be paid is approximately \$850,000. b) The Board gave the President the authority to dispose of the library. c) The Board entered into a contract with the President to lead the restructured entity after June 30, 2013.

The information was used in preparing the materials which were presented to the Board of Trustees in the Presidential search.
