SchD_P05_S00_L04	Schedule D, Part V, Line 4	The Fisher College quasi-endowment fund consists of certain designated unrestricted assets, held with an absence of donor-imposed restrictions, which are retained to function as an endowment fund. These funds are held as a contingency and may be used to support on-going operations, capital expenditures, or any purposes deemed appropriate which further enhance the mission of the college. Appropriations for these purposes occur when designated by vote of the Board of Trustees and are within the guidelines of the fund appropriation policy.
SchD_P10_S00_L02	Schedule D, Part X, Line 2	The College accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable tax authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The College has identified its tax status as a tax exempt entity as its only significant tax position, however, the College has determined that such tax position does not result in an uncertainty requiring recognition. The College is not currently under examination by any taxing jurisdictions. The College's Federal and state tax returns are generally open for examination for three years following the date filed.
