If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The college has identified its tax status as a tax exempt entity as its only significant tax position, however the college has determined that such tax position does not result in an uncertainty requiring recognition. SchI_P01_S00_L02	Schedule I, Part I, Line 2	The college's Office of Financial aid is responsible for awarding and monitoring all college, federal and state grant assistance. More than 60% of Wheaton students receive some form of financial aid and most students who demonstrate need receive aid. Financial assistance at Wheaton is awarded on the basis of demonstrated need and academic performance. "Need" is determined by the financial information that a student and his/her family provides on the Free Application for Federal Student Aid (FAFSA) and PROFILE forms which capture the data required to determine eligibility based on federal and/or state regulations. A need-based package may include a merit scholarship, grants, loans or work award. When funds are awarded, student eligibility is monitored through the college's operational system financial aid module to ensure there are no changes in status that might affect their ongoing eligibility. Total grant funds awarded are tracked to ensure compliance with budgeted amounts.
