Grantmaker's Description of How Grants are Used		United Way of North Central Massachusetts monitors the 48 grants through its Community Impact Fund by performing hands-on site visits to all its funded agencies. In addition, semiannual reports are submitted detailing expenditures and program measurements and outcomes. Yearly, an additional review is done by United Way's Leadership Team. They review the recommendations from the individuals who performed the site visits and the semiannual reports to determine whether to continue to fund or defund the program based on the overall effectiveness and impact on the community. This thorough review by United Way staff and 50 community volunteers helps ensure that donors' contributions are creating long-lasting changes by addressing the underlying causes of problems in our community.

UWYV is a three way partnership between Ashoka's Youth Venture, Mount Wachusett Community College and United Way of North Central Massachusetts. Through this partnership, they hope to provide long-term benefits to communities by investing in local youth. Approved UWYV Teams receive up to \$1,000 of seed funding to help launch their project. Since its inception in 2002, the UWYV partnership has launched 87 teams and inspired 10 United Ways nationwide to replicate the program based on the North Central Massachusetts success. Young people involved in the United Way Youth Venture, a youth led program, develop leadership skills, build confidence, provide countless services to their communities, and, most importantly, are given the chance to make long lasting positive change on others, as well as themselves. At the same time, they learn how to confront problems, face them, and find creative solutions.
