FIN 48	Part X	The college follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance requires that a tax position be recognized or derecognized based on a "more likely than not" threshold, and applies to positions taken or expected to be taken in a tax return. During fiscal 2012 and 2011, the College evaluated its tax positions and concluded that it does not have any uncertain tax positions that meet the criteria under the standard. The tax years ending June 30, 2009, 2010, 2011, and 2012 are still open to audit for both federal and state purposes. The College has processes presently in place to ensure the maintenance of its tax-exempt status, identify and report unrelated income, determine its filing and tax obligations in jurisdictions for which it has nexus, and identify and evaluate other matters that may be considered tax positions.
