financial note regarding fin 48 (asc 740)	Part X line 2	The Association evaluates uncertainty in income tax positions taken or expected to be taken on a tax return based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement and is recognized in the Association's financial statements. As of June 30, 2012 and 2011, there are no accruals for uncertain tax positions. If applicable, the Association records interest and penalties as a component of income tax expense. Tax years from June 30, 2009 through the current year remain open for examination by federal and state tax authorities.
