The College Crusade Advisory. The success of The College Crusades program primarily lies in our seamless system of steady adult support for students from grade 6 all the way to high school graduation. As indicated in Part 1, 1, we place a team of 23 full-time middle school and high school Advisors in 30 schools in our target districts throughout the academic year to personalize the college-bound experience for the students in our program. These Advisors forge relationships with Crusaders, encourage them to pursue high academic goals, and run various after school, school vacation and summer programs to meet students' academic, personal and social development, college readiness and career exploration needs. College Crusade Advisors are a diverse group of young professionals who understand the challenges that young people in disadvantaged communities face. Because they are from similar backgrounds and have achieved educational success, they are compelling mentors for the young people we serve. Students often report that their Advisor is the only positive role model they have in their lives. During this reporting period, College Crusade Advisors provided services to 3,522 students.

Crusade Adventure and Academic Program. Middle school is often the time when economically disadvantaged students begin to fall far behind their peers in school. The College Crusade provides an intensive program for middle school Crusaders called The Crusade Adventure and Academic Program (CAAP), which focuses on leadership development, team building, problem solving, critical thinking and conflict resolution integrated with literacy development. It provides participants with opportunities to take healthy risks while facing progressively more difficult challenges, to learn from their successes and failures, and to acquire the developmental assets that will enable them to overcome the challenges that lie ahead. From recent focus groups with former participants, it is clear that the program has a long-term impact on their ability to identify the components of an academic or personal challenge, make creative use of the tools at their disposal, and address the challenge. This program is provided during the academic year (over the course of 10 consecutive Saturdays) and during the summer (for a two-week session, five days per week, from 9am-3pm each day). During this reporting period, 315 students attended CAAP.

The College Crusade is committed to helping economically-disadvantaged students achieve their academic and career dreams. Income-eligible students from Providence, Pawtucket, Central Falls and Woonsocket apply for admission in the 5th or 6th grade and receive up to seven years of Advisory support and participation in our broad range of college-readiness programs. Crusaders take a pledge to do well in school, avoid drugs, alcohol, trouble with the law and early parenthood, and to be role models in their communities. In turn, The College Crusade promises to support our students' success with specialized programs and services and post-secondary scholarship support for those who qualify. Our wide array of academic enrichment, social/personal development, career exploration and college preparation programs include: Middle School Programs. Programs at this level include adventure and academic programming, intensive study skills workshops, the ReadAbout literacy program, career visits and speakers, college visits and shadowing, tutoring and homework clubs, and group and peer mentoring programs. In the 2010-2011 fiscal year, we served 1,376 middle school students through these and other extended learning programs. High School Programs. At the high school level, we help Crusaders understand their educational opportunities and options and intensify their preparation for college. Activities include study skills workshops, tutoring and homework assistance, robotics, SAT test preparation, college workshops, financial aid sessions for students and parents, college visits, fairs and programs, and career exploration weekends, among other programming. In the 2010-2011 fiscal year, we served 2,279 high school students engaged in enrichment programs. Weekend Programs. Programming extends beyond the school week to give Crusaders additional exposure to learning opportunities. Many Crusaders participate in Cru Club activities on weekends throughout the school year. Cru Club includes workshops in academic enrichment, social and personal development, career awareness and exploration and preparation for college. Another weekend offering, our Saturday Academy helps Crusaders improve their reading, writing and math skills.

The College Crusade is committed to helping economically-disadvantaged students achieve their academic and career dreams. Income-eligible students from Providence, Pawtucket, Central Falls and Woonsocket apply for admission in the 5th or 6th grade and receive up to seven years of Advisory support and participation in our broad range of college-readiness programs. Crusaders take a pledge to do well in school, avoid drugs, alcohol, trouble with the law and early parenthood, and to be role models in their communities. In turn, The College Crusade promises to support our students' success with specialized programs and services and post-secondary scholarship support for those who qualify. Our wide array of academic enrichment, social/personal development, career exploration and college preparation programs include: • Middle School Programs: Programs at this level include adventure and academic programming, intensive study skills workshops, the ReadAbout literacy program, career visits and speakers, college visits and shadowing, tutoring and homework clubs, and group and peer mentoring programs. In the 2010-2011 fiscal year, we served 1,376 middle school students through these and other extended learning programs. • High School Programs: At the high school level, we help Crusaders understand their educational opportunities and options and intensify their preparation for college. Activities include study skills workshops, tutoring and homework assistance, robotics, SAT test preparation, college workshops, financial aid sessions for students and parents, college visits, fairs and programs, and career exploration weekends, among other programming. In the 2010-2011 fiscal year, we served 2,279 high school students engaged in enrichment programs. • Weekend Programs: Programming extends beyond the school week to give Crusaders additional exposure to learning opportunities. Many Crusaders participate in Cru Club activities on weekends throughout the school year. Cru Club includes workshops in academic enrichment, social and personal development, career awareness and exploration and preparation for college. Another weekend offering, our Saturday Academy helps Crusaders improve their reading, writing and math skills.
