Report of Independent Certified Public Accountants

Board of Trustees
The Gesu School, Inc. and Affiliate

We have audited the accompanying consolidated statements of financial position of The Gesu School, Inc. and Affiliate (the Organization) as of June 30, 2012 and 2011, and the related consolidated statements of activities and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Gesu School, Inc. and Affiliate as of June 30, 2012 and 2011, and the results of their activities and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2012 and 2011

NOTE A - BACKGROUND AND ORGANIZATION

The Gesu School, Inc. (the Organization), a Pennsylvania non-profit corporation, was founded in June 1993. The Gesu School, Inc. operates and administers The Gesu School (the School), a private, full-time, twenty classroom elementary school to educate children ages kindergarten through eighth grade. The School follows the curriculum used by Catholic elementary schools in the Archdiocese of Philadelphia, Pennsylvania. The Organization also conducts an after-school care program for children enrolled in the School.

The accompanying consolidated financial statements also include the accounts of the Gesu Institute, a Pennsylvania non-profit institute, which was founded in June 2005 for the purpose of strengthening and supporting schools that serve low-income communities, particularly in elementary education, as a means of bridging the gaps of inequality in our society. The Gesu Institute provides the necessary resources to evaluate, refine and develop best practices in teaching, governance, administration, and fundraising by using faith-based, value-based, and entrepreneurial models.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The Organization distinguishes among contributions received that increase permanently restricted net assets, temporarily restricted net assets and unrestricted net assets. The Organization reports amounts of total assets, liabilities and net assets in a consolidated statement of financial position, the change in net assets in a consolidated statement of activities, and reports the change in cash and cash equivalents in a consolidated statement of cash flows. The Organization's net assets and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Unrestricted net assets are not restricted by donors, or the donor-imposed restrictions have expired. Temporarily restricted net assets are primarily restricted for capital expenditures and educational programs.

Permanently restricted net assets contain donor-imposed restrictions requiring that the principal be invested in perpetuity and investment income be used to support the Organization's activities.

2. Principles of Consolidation

The accompanying consolidated financial statements include all accounts and operations of The Gesu School, Inc. and its affiliate, the Gesu Institute, because The Gesu School, Inc. has both control of and an economic interest in the Gesu Institute. Intercompany accounts and transactions have been eliminated in consolidation.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, cash and cash equivalents include unrestricted cash in checking and money market accounts held by banks and custodial investment firms.

4. Investments

Investments in shares of publicly traded common stocks with readily determinable fair values and all investments in stock and bond mutual funds are reported at their fair values in the consolidated statement of financial position. Other investments in partnership interests and private funds without readily determinable fair values are reported at fair value based on net asset value (NAV) in the consolidated statement of financial position. Donated marketable securities are recorded by the Organization at their fair values on the date of donation. Unrealized gains and losses are included in the change in net assets.

5. Tuition Receivable

Tuition receivable consists of amounts due from enrolled and former students. The Organization's management reviews the collectability of these receivables at year-end and determines an appropriate allowance for doubtful accounts. Those balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to tuition receivable.

6. Property and Equipment

Substantially all of the Organization's property and equipment have been contributed to it and have been recorded at the related fair market value at the date of contribution. Purchased property and equipment are stated at cost. It is the Organization's policy to capitalize expenditures for these items in excess of \$1,500 and expense lesser amounts. Depreciation is provided over the estimated useful lives of the applicable asset using the straight-line method. Leasehold improvements are amortized over the respective lease term.

	<u>Years</u>
Buildings and leasehold improvements	15 to 39
Office furniture and equipment	5 to 7

7. Deferred Revenues

Deferred revenues represent tuition and registration fees collected from students that pertain to the next fiscal year.

8. Public Support

Unconditional promises to give are recorded as received. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in the second subsequent year and thereafter are recorded at the present value of their net realizable value, using an appropriate discount rate applicable to the years in which the promises are expected to be received to discount the amounts.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. However, donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Contributions and investments are reported as unrestricted net assets unless they are either temporarily or permanently restricted as specified by the donor. Investment earnings available for distribution are recorded in unrestricted net assets. Investment earnings with donor restrictions are recorded in temporarily or permanently restricted net assets based on the nature of the restrictions.

The Organization receives use of its school facilities from St. Joseph's Preparatory School under a lease agreement that expires on May 31, 2055. Under this agreement, the Organization is not required to pay any rent; however, it is required to pay for all repairs and maintenance of the facility and for utilities. The value of the contributed facilities for the years ended June 30, 2012 and 2011 was \$920,500 and is included in contribution revenue in the consolidated statements of activities based on the fair market value of the lease agreement with a corresponding charge to rent expense, which is included in school and related programs expense in the consolidated statements of activities.

9. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include the allowance for doubtful accounts, discount on pledges receivable, useful lives of depreciable assets, fair value of alternative investments, and the fair value of the lease on the school building.

10. Tax Status

The Organization and its affiliate are qualified public charities under Section 501(c)(3) of the Internal Revenue Code and are exempt from federal and state income taxes. Therefore, no provision for income taxes has been made in the accompanying consolidated financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

A tax position is recognized or derecognized by the Organization based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The Organization does not believe its consolidated financial statements include any material uncertain tax positions.

11. Concentration of Credit Risk

The Organization maintains its cash with banks located in Pennsylvania. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per bank. Certain account balances at these banks exceeded FDIC insured limits at various times during the year. The Organization's investments are diversified among corporate stocks, stock and bond mutual funds, a real estate limited partnership, and an equity investment limited partnership. Oversight of investment decisions is a responsibility of the Organization's trustees. Though the fair value of investments is subject to fluctuations on a year-to-year basis, the Organization's trustees believe the investment policy is prudent for the long-term welfare of the Organization.

12. New Accounting Pronouncement

In January 2010, the Financial Accounting Standards Board (FASB) issued accounting guidance to enhance fair value measurement disclosures by requiring the reporting entity to disclose separately the amounts of significant transfers in and out of Level 1 and Level 2 fair value measurements and describe the reason for the transfers. Furthermore, activity in Level 3 fair value measurements should separately provide information about purchases, sales, issues and settlements rather than providing that information as one net number. The Organization adopted this guidance for the year ended June 30, 2012. The adoption of this guidance did not have a material impact on the consolidated financial statements.

13. Pending Accounting Pronouncement

In May 2011, the FASB issued guidance that expands the existing disclosure requirements for fair value measurements, primarily for Level 3 measurements, which are measurements based on unobservable inputs. This guidance is largely consistent with current fair value measurement principles with few exceptions that do not result in a change in general practice. The amendments will include enhancements to disclosures about fair value measurements, including the sensitivity of Level 3 measurements to changes in unobservable inputs and the interrelationships between those unobservable inputs, an entity's use of a nonfinancial asset that differs from its highest and best use, and the categorization by level of the fair value hierarchy for items not measured at fair value within the financial statements, but for which the fair value is required to be disclosed. The guidance will be applied prospectively and will be effective for the year ending June 30, 2013. The adoption of this guidance is not expected to have a material impact on the Organization's financial position or results of activities as the guidance relates only to disclosure requirements.

NOTE C - INVESTMENTS

The Organization's investments consist of the following as of June 30, 2012 and 2011:

- a. Miller Investment Management - mutual fund portfolio: Holdings consist of shares of stock and bond mutual funds.
- b. Goldman Sachs & Co.: Holdings consist of shares of publicly traded common stocks.
- c. Vanguard: Holdings consist of shares of bond mutual funds.
- d. CMS Private REIT Fund, LP: The fund's initial objective is to provide investors with current annual cash flow starting at approximately 6% with the acquisition of an asset, growing to 8% to 10% over the life of the fund, and an overall net internal rate of return in the range of 12% to 14% by acquiring a diversified portfolio of stable, high quality multifamily real estate properties. As of June 30, 2012 and 2011, there are no unfunded commitments relative to this investment.
- e. CMS/Winston Equity Partners II, LP: The fund's objective is to make control (or investor-controlled) investments in companies with defensible market positions and underlying organic potential. The fund intends to target opportunities to invest between \$3 million and \$10 million in companies that are projected by the fund to generate a compound internal rate of return in excess of 30%. As of June 30, 2012 and 2011, the Organization is committed to funding the remaining \$91,860 of the total \$300,000 capital commitment to this partnership.

NOTE D - FAIR VALUE MEASUREMENTS

The Organization has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the hierarchy are described below:

Level 1 Financial assets and liabilities whose values are based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Financial assets and liabilities whose values are based on one or more of the following:

1. Quoted prices for similar assets or liabilities in active markets;
2. Quoted prices for identical or similar assets or liabilities in non-active markets;
3. Pricing models whose inputs are observable for substantially the full term of the asset or liability; or
4. Pricing models whose inputs are derived principally from or corroborated by observable market data through correlation or other means for substantially the full term of the asset or liability.

Level 3 Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls has been determined based on the lowest level input that is significant to the fair value measurement in its entirety. The Organization's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

Both observable and unobservable inputs may be used to determine the fair value of positions that the Organization has classified within the Level 3 category. As a result, the unrealized gains and losses for assets and liabilities within the Level 3 category presented in the tables below may include changes in fair value that were attributable to both observable (e.g., changes in market interest rates) and unobservable (e.g., changes in unobservable long-dated volatilities) inputs.

A review of the fair value hierarchy classifications is conducted on an annual basis. Changes in the type of inputs may result in a reclassification for certain financial assets or liabilities. Reclassifications impacting Level 3 of the fair value hierarchy are reported as transfers in/out of the Level 3 category as of the beginning of the year in which reclassifications occur.

NOTE D - FAIR VALUE MEASUREMENTS - Continued

The following tables present information about the Organization's assets and liabilities measured at fair value on a recurring basis as of June 30, 2012 and 2011, and indicate the fair value hierarchy of the valuation techniques utilized by the Organization to determine such fair value.

For the years ended June 30, 2012 and 2011, there were no transfers of investments in or out of levels 1, 2 or 3.

The following provides a brief description of the types of financial instruments the Organization holds, the methodology for estimating fair value, and the level within the hierarchy of the estimate.

1 Cash and Cash Equivalents

Cash and cash equivalents are represented by commercial bank checking and saving accounts. In addition, mutual fund money market accounts are included in the total amount.

NOTE D - FAIR VALUE MEASUREMENTS - Continued

2. Investments

Equities: These equity investments values are based on quoted market prices in active markets and are evaluated as Level 1 inputs.

Stock and Bond Mutual Funds: These mutual funds invest in publicly traded fixed income and equity securities and have readily available market prices. The Organization evaluates these items as Level 1 inputs.

Limited Partnerships: The limited partnerships are interests in private equity and REIT funds, representing the Organization's ownership interest in the net asset value (NAV) of the respective partnership. Investments held by the partnerships consist of marketable securities as well as securities that do not have readily determinable fair values. The fair values of the securities held by limited partnerships that do not have readily determinable fair values are determined by the general partner and are based on historical cost, appraisals, or other estimates that require varying degrees of judgment. If no public market exists for the investment securities, the fair value is determined by the general partner taking into consideration, among other things, the cost of the securities, prices of recent significant placements of securities of the same issuer, and subsequent developments concerning the companies to which the securities relate. These investments are evaluated as Level 3 inputs.

The following table is a rollforward of the consolidated statement of financial position amounts for financial instruments classified by the Organization within Level 3 of the valuation hierarchy defined above.

	Fair value measurements (Level 3)	
	2012	2011
Balance, beginning of year	\$ 213,044	\$ 156,952
Net purchases/(sales)	-	-
Total gains/(losses) (realized and unrealized)	(19,055)	56,092
Balance, end of year	<u>\$ 193,989</u>	<u>\$ 213,044</u>

3. Unconditional Promises to Give

Unconditional promises to give are non-recurring fair value measurements. Any multi-year pledges received are recorded at the present value of future cash flows with a discount rate adjusted for any market conditions to arrive at fair value.

NOTE I - ENDOWMENTS

As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization's endowment consists of a portfolio of actively managed funds established to provide both a source of operating funds as well as long-term financial stability. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as quasi-endowments.

1. Interpretation of Relevant Law

The Organization adopted the Commonwealth of Pennsylvania Act 141 (Act 141) as of July 1, 2010. The Organization interprets Act 141 as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. This is regarded as the "historic dollar value" of the endowed fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets and is regarded as "net appreciation" is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the Organization's spending policy.

2. Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the "historic dollar value." Deficiencies of this nature are reported by a charge to unrestricted net assets and a corresponding increase to temporarily restricted net assets. These charges totaled \$17,738 and \$-0- as of June 30, 2012 and 2011, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions. Over time, these may reverse due to appreciation of the underlying investments.

3. Endowment Investment and Spending

The Organization has an investment committee which oversees the investment advisors' investment of endowment assets to protect the future purchasing power of the principal of the endowed funds and provide a source of income to support the activities of the Organization.

Investment returns through June 30, 2012 have averaged an annual rate of return of 6.74% since the Organization began to have invested endowment assets in April 1998. The return objective is to maintain this performance as measured over three- to five-year investment performance periods.

(Continued)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2012 and 2011

NOTE I - ENDOWMENTS - Continued

The investment committee determines spending within the parameters of Act 141 (between 2% to 7% of endowment value). For the years ended June 30, 2012 and 2011, the investment committee determined spending to be 5% for permanently restricted assets.

4 Strategies Employed for Achieving Objectives

The investment objectives for the endowment require disciplined and consistent management that accommodates all those events which are relevant, reasonable, and probable. The management of the endowment should ensure a total return (yield plus capital appreciation) sufficient to preserve and enhance, in real dollar terms, the principal funds endowed net of withdrawals to support the Organization over the long term.

Investments of endowed funds are diversified so as to maximize expected returns while controlling risk. Within agreed upon parameters, investment managers have complete investment discretion based on the expectation that the assets of the fund will be invested with care, skill, prudence and diligence.

The asset mix, consistent with the return objective, consisted of the following mix at June 30:

	<u>% of mix</u>	
	<u>2012</u>	<u>2011</u>
Money market funds	3%	3%
Stock mutual funds and equity securities	56	60
Bond mutual funds	40	36

Depreciation expense was \$220,524 and \$227,362 for the years ended June 30, 2012 and 2011, respectively.

NOTE K - COMMITMENTS AND CONTINGENCIES

1. Line of Credit

In June 2009, the Organization entered into a line of credit with a financial institution which provides for borrowings up to \$1,000,000 and bears interest at a floating interest rate at prime less 1%. The line is secured by pledged investments of the Organization equal to \$1,350,000. The Organization had \$175,000 in outstanding borrowings against the line of credit at June 30, 2012 and \$300,000 at June 30, 2011. The line of credit has an interest rate of 2.25% at June 30, 2012.

2. Leases

The Organization leases school equipment and automobiles under operating leases expiring through 2014. Rental expense for the years ended June 30, 2012 and 2011 was \$15,798 and \$17,235, respectively.

The following is a schedule of future minimum rental payments required under the aforementioned operating leases:

Year ending June 30,

A majority of the Gesu Scholarship Fund's (an affiliated organization) Board of Trustees are also employees and trustees of the Organization. The Organization received contributions of \$147,604 and \$213,568 for student scholarships and \$47,417 and \$66,541 in management fees for administrative and fundraising assistance from the Gesu Scholarship Fund during the years ended June 30, 2012 and 2011, respectively.

NOTE M - EMPLOYEE RETIREMENT PLAN

All full-time employees who have one year of service and have attained the age of 21 are eligible to participate in the defined contribution retirement plan. Pension expense for the years ended June 30, 2012 and 2011 was \$10,810 and \$9,850, respectively.

NOTE N - SUBSEQUENT EVENTS

The Organization evaluated its June 30, 2012 consolidated financial statements for subsequent events through December 6, 2012, the date the consolidated financial statements were available to be issued. The Organization is not aware of any subsequent event which would require recognition or disclosure in the consolidated financial statements.
